Purpose of Bill: The bill authorizes the Assessor of Lafayette Parish to receive an automobile expense allowance. This allowance is not to exceed 15% of the Assessor's annual salary, provided that the Assessor maintains automobile insurance in the amount of \$300,000 per accident for bodily injury and \$100,000 per accident for property damage.

This allowance is to be paid from the Assessor's existing funds with no additional cost to the state or local governing authority.

EXPENDITURE EXPLANATION

The bill may increase expenditures related to this new automobile allowance. However, the increase will depend upon the monetary amount the 15% will be applied to.

The assessor's salary including certification pay totals \$156,832. In addition, the assessor receives a 10% personal expense allowance of \$15,683, for total annual compensation of \$172,515.

If the 15% maximum is applied to \$156,832, the resulting automobile expense allowance would be \$23,525. If the 15% maximum is applied to the grand total of \$172,515, the resulting automobile expense allowance would be \$25,877.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
