

RÉSUMÉ DIGEST

ACT 642 (HB 719)

2016 Regular Session

Hodges

Existing law provides for procedures pursuant to the issuance of a physician's emergency certificate for treatment of a minor suffering from mental illness or substance abuse. Provides that, if necessary, peace officers shall apprehend and transport, or ambulance services, under appropriate circumstances, may locate and transport a minor patient on whom an emergency certificate has been completed to a treatment facility.

New law retains existing law, and adds thereto an authorization for any of the following persons to accompany the minor during transportation to a treatment facility:

- (1) A parent, including a foster parent.
- (2) A legal guardian.
- (3) A Department of Children and Family Services case worker.

New law stipulates that a biological parent of a child in foster care shall accompany the child only if approved by the Department of Children and Family Services.

Effective August 1, 2016.
