

RÉSUMÉ DIGEST

ACT 53 (HB 524)

2016 Regular Session

Robby Carter

Existing law requires each dealer, distributor, or importer of petroleum products to keep a full and complete record of petroleum products received, used, sold, or delivered within this state.

New law provides a penalty of up to \$5,000 for any dealer, distributor, or importer that willfully and knowingly fails to provide required records in existing law.

Effective August 1, 2016.
