DIGEST

SB 178 Engrossed

2017 Regular Session

Morrell

Present law authorizes the State Board of Commerce and Industry to grant contracts of exemption whereby total state and local taxes may be reduced to the levels imposed by other states for new manufacturing establishments, new headquarters, or new warehousing and distribution establishments if the establishment is locating in Louisiana and was located in another state or contemplating locating in another state and the other state has a total state and local tax structure which offers a greater tax advantage to such industry than does the taxing structure of Louisiana.

Proposed law provides that no new contracts for exemption shall be entered into under this program on or after July 1, 2021.

Present law authorizes the State Board of Commerce and Industry to grant contracts of exemption for terms of up to five years with manufacturing establishments in order to encourage existing manufacturing industries to continue and expand their operations in the state.

Proposed law provides that no new contracts with manufacturing establishments shall be entered into under this program on or after July 1, 2021.

Present law authorizes the secretary of the Department of Economic Development to contract with an eligible corporation to allow the use of a single sales factor in determining their Louisiana corporation income and franchise tax.

Proposed law prohibits execution of any new contracts authorizing the use of the single sales factor on or after July 1, 2021.
