(10) "Tax table income", for nonresident individuals, means the amount of Louisiana income, as provided in this Part, allocated and apportioned under the provisions of R.S. 47:241 through 247, plus the total amount of the personal exemptions and deductions already included in the tax tables promulgated by the secretary under authority of R.S. 47:295, less the proportionate amount of the federal income tax liability, excess federal itemized personal deductions, the temporary teacher deduction, the recreation volunteer and volunteer firefighter deduction, the construction code retrofitting deduction, any gratuitous grant, loan, or other benefit directly or indirectly provided to a taxpayer by a hurricane recovery entity if such benefit was included in federal adjusted gross income, the exclusion provided for in R.S. 47:297.3 for S Bank shareholders, the deduction for expenses disallowed by I.R.C. Section 280C, the deduction for net capital gains, and personal exemptions and deductions provided for in R.S. 47:294. The proportionate amount is to be determined by the ratio of Louisiana income to federal adjusted gross income. When federal adjusted gross income is less than Louisiana income, the ratio shall be one hundred percent.

§300.6. Louisiana taxable income of resident estate or trust

A. Definition. "Louisiana taxable income" of a resident estate or trust means the taxable income of the estate or trust determined in accordance with federal law for the same taxable year, as specifically modified by the provisions contained in Subsection B of this Section, less a federal income tax deduction to be computed following the provisions of R.S. 47:287.83 and 287.85. in accordance with the following:

(1) In computing Louisiana taxable income, no federal income tax deduction shall be allowed on net income upon which no Louisiana income tax has been incurred, or upon which, for any reason whatsoever, no Louisiana income tax will be paid. When computing Louisiana taxable income, the secretary may consider

2	this Paragraph.
3	(2) The alternative minimum tax is a federal income tax deductible to the
4	extent that it is applicable to regular federal taxable income. Any alternative
5	minimum tax paid on tax preference items shall not be deductible. In accordance
6	with the provisions of this Paragraph, the secretary may determine the deductible
7	portion of the alternative minimum tax.
8	(3) For purposes of this Section, federal income taxes shall include taxes
9	based on net income, accumulated earnings, war profits, excess profits, personal
10	holding company income, and tax from recomputation of investment credit. For
11	purposes of federal income taxation as compared to the computation of net income
12	under this Part, proper adjustment shall be made for the actual tax rates as applied
13	to different classes of income and for all differences in the computation of net
14	income. The amount of the federal income tax deduction shall be that portion of the
15	total federal income tax, after application of all credits, which is levied on income
16	derived solely from sources in this state as computed under the rules and regulations
17	prescribed by the secretary.
18	(4) As used in this Subsection, the term "credits" shall not include
19	overpayments of prior year taxes allowed as a credit, estimated tax payments or
20	similar prepayments, credit for prior year alternative minimum tax that is allowed as
21	a credit against the current regular federal income tax, or federal income tax credits
22	determined by the secretary to be presidential disaster area disaster relief credits.
