The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Sharon F. Lyles.

DIGEST 2017 Regular Session

SR 125 Original

Lambert

Requests DOTD to investigate the feasibility of planting bamboo cane or other sound-reducing vegetation along the outer right-of-way of Interstate 10 in Ascension Parish to provide a noise barrier and to reduce mowing expenses, and to submit a written report of its feasibility investigation to the Senate Committee on Transportation, Highways and Public Works not later than February 1, 2018.
