

**ACT No. 48**

2017 Regular Session

HOUSE BILL NO. 64

BY REPRESENTATIVE HENRY

1 AN ACT

2 To provide for the establishment and reestablishment of agency ancillary funds, to be  
3 specifically known as internal service funds, auxiliary accounts, or enterprise funds  
4 for certain state institutions, officials, and agencies; to provide for appropriation of  
5 funds; and to regulate the administration of said funds.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. There are hereby appropriated the amounts shown below, which shall be  
8 payable out of the state general fund, to the extent of funds deposited, unless otherwise  
9 specified, for the establishment and reestablishment of agency ancillary funds which shall  
10 be specifically known as internal service funds, auxiliary accounts, or enterprise funds. The  
11 monies in each fund shall be used for working capital in the conduct of business enterprises  
12 rendering public service, auxiliary service, and interagency service.

13 In the conduct of each such business, receipts shall be deposited in the state treasury  
14 and disbursements made by the state treasurer to the extent of the amount deposited to the  
15 credit of each ancillary fund, for the Fiscal Year 2017-2018. All funds appropriated herein  
16 shall be expended in compliance with the public bid laws of the state.

17 Section 2.A. Except as otherwise provided by law or as herein otherwise provided,  
18 any fund equity resulting from prior year operations shall be included as a resource of the  
19 fund from which the ancillary fund is directly or indirectly derived.

20 B. Funds on deposit with the state treasury at the close of the fiscal year are  
21 authorized to be transferred to each fund respectively, as equity for Fiscal Year 2018-2019.

22 All unexpended cash balances as of June 30, 2018, shall be remitted to the state  
23 treasurer on or before August 14, 2018. If not reestablished in the subsequent year's Act, the  
24 agency must liquidate all assets and return all advances no later than August 14, 2018.

25 C. The program descriptions contained in this Act are not part of the law and are not  
26 enacted into law by virtue of their inclusion into this Act.

1           Section 3. All money from federal, interagency transfers, statutory dedications, or  
2 fees and self-generated revenues shall be available for expenditure in the amounts herein  
3 appropriated.

4           Any increase in such revenues shall be available for allotment and expenditure by  
5 an agency on approval of an increase in the appropriation by the commissioner of  
6 administration and the Joint Legislative Committee on the Budget. Any increase in such  
7 revenues for an agency without an appropriation from the respective revenue source shall  
8 be incorporated into the agency's appropriation on approval of the commissioner of  
9 administration and the Joint Legislative Committee on the Budget.

10          Section 4.A. The figures in parentheses following the designation of a budget entity  
11 are the total authorized positions and authorized other charges positions for that entity. The  
12 number approved for each agency, as a result of the passage of this Act, may be increased  
13 by the commissioner of administration when sufficient documentation is presented and the  
14 request is deemed valid. Any request which exceeds five (5) positions, however, shall be  
15 approved by the commissioner of administration and the Joint Legislative Committee on the  
16 Budget.

17          B. The budget request of any agency with an appropriation level of thirty million  
18 dollars or more shall include within its existing table of organization positions which  
19 perform the function of internal auditing, including the position of a chief audit executive.  
20 The chief audit executive shall be responsible for ensuring that the internal audit function  
21 adheres to the Institute of Internal Auditors, International Standards for the Professional  
22 Practice of Internal Auditing. The chief audit executive shall maintain organizational  
23 independence in accordance with these standards and shall have direct and unrestricted  
24 access to the commission, board, secretary, or equivalent head of the agency. The chief  
25 audit executive shall certify to the commission, board, secretary, or equivalent head of the  
26 agency that the internal audit function conforms to the Institute of Internal Auditors,  
27 International Standards for the Professional Practice of Internal Auditing.

28          Section 5. All key and supporting performance objectives and indicators for the  
29 departments, agencies, programs, and budget units contained in the Governor's Executive  
30 Budget Supporting Document shall be adjusted by the commissioner of administration to

1 reflect the funds appropriated therein. The commissioner of administration shall report on  
2 these adjustments to the Joint Legislative Committee on the Budget by August 15, 2017.

3 Section 6. The following definition is provided for the terms of this Act: "Working  
4 Capital" shall be considered the excess of current assets over current liabilities on an accrual  
5 basis.

6 Section 7. Should any section, subsection, clause, sentence, phrase, or part of the Act  
7 for any reason be held, deemed, or construed to be unconstitutional or invalid, such decisions  
8 shall not affect the remaining provisions of the Act, and the legislature hereby declares that  
9 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part  
10 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,  
11 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the  
12 provisions of this Act are hereby declared severable.

13 Section 8. Internal Service Funds. These funds account for the financing of goods  
14 or services provided by one department or agency to other departments or agencies of the  
15 governmental unit, or to other governmental units, on a cost-reimbursement basis. Excess  
16 cash funds, excluding cash funds arising from working capital advances, shall be invested  
17 by the state treasurer with the interest proceeds there from credited to each account and shall  
18 not be transferred to the state general fund.

19 Section 9. In conjunction with the continuing assessment of the existing staff, assets,  
20 contracts, and facilities of each department, agency, program, or budget unit's information  
21 technology resources and procurement resources, upon completion of this assessment and  
22 to the extent optimization of these resources will result in the projected cost savings through  
23 staff reductions, realization of operational efficiencies, cost avoidance, and elimination of  
24 asset duplication, the commissioner of administration is authorized to transfer the functions,  
25 positions, assets, and funds from any other department, agency, program, or budget units  
26 related to these optimizations to a different department. The provisions of this Section shall  
27 not apply to the Department of Culture, Recreation and Tourism, or any agency contained  
28 in Schedule 04, Elected Officials, of the General Appropriation Act.
