The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Christine Arbo Peck.

DIGEST

SB 325 Original

2018 Regular Session

Milkovich

<u>Proposed law</u> provides district attorneys in any parish in which an outpatient abortion clinic is located, the attorney general, and the governor with a cause of action to seek an injunction to cease and desist all operations at the clinic and cause the clinic to be permanently closed if there is reason to believe that the clinic has violated certain provisions regarding abortions on minors, record creation, destruction, or tampering.

<u>Proposed law</u> provides for criminal action under laws on injuring public records, criminal abortion, and malfeasance in office for certain violations.

Effective August 1, 2018.

(Amends R.S. 14:32.9(A); adds R.S. 40:1061.30)
