HB 558 Original

2018 Regular Session

Falconer

Abstract: Requires employing units to include additional information when submitting quarterly reports.

Present law requires each employing unit to keep records of the address of each establishment, the nature of the operation, the number of employees, and the wages paid, and to make the records available for inspection to the administrator, as well as to submit them quarterly to the La. Workforce Commission.

Proposed law retains present law and adds to the type of records that shall be maintained and submitted to include the wages of each employee, Standard Occupation Classification Systems codes, and job titles.

Proposed law further requires that the information required to be reported to the La. Workforce Commission in proposed law be sent to the La. Board of Regents and the Workforce Investment Council to aid in improved workforce development and educational alignment.
