18           education savings accounts, all interest and investment income earned by the fund,  
19           and all other receipts of the authority from any other source which the authority  
20           determines appropriate shall be deposited in the fund. Any claim for redemption or  
21           withdrawal pursuant to an education savings account owner's agreement shall be  
22           solely against the assets of the fund. No account owner or beneficiary of an  
23           education savings account shall have any claim against the state general fund or  
24           other funds or revenue sources of the state, or against the funds of any elementary  
25           or secondary school.

3           amount in the Tuition and Savings Fund is insufficient to meet the payment demands  
4           made upon the fund which represent obligations listed in Subsection B of this  
5           Section, then the funds necessary to meet these payment obligations in full shall be  
6           appropriated.

7           D. All disbursements from the program shall be made by the treasurer on  
8           order of the authority.

9           E. The treasurer shall cause the investment of the assets of the program in

15          in any limitation on investment in equity securities. The instruments of title of all  
16          investments shall be delivered to the state treasurer or to a qualified trustee  
17          designated by him. Assets of the program in the fund shall be administered by the  
18          treasurer so that the assets will achieve the highest possible investment return to  
19          education savings accounts consistent with the security of principal, and be sufficient  
20          to satisfy the obligations of the authority.

21          F. The authority shall maintain an individual account for each account  
22          owner's agreement showing the beneficiary of that agreement and the accumulated

26          case of a beneficiary or in the case of a person who has entered into an account  
27          owner's agreement, the accumulated value of the principal deposited, interest earned  
28          on deposits, and the amounts used or refunded, pursuant to the agreement. A  
29          beneficiary and an account owner may request a statement under this Subsection at

1 anytime, subject to any fee that the authority may impose for requests in excess of  
2 one per year.

3 G. In January of each year, the authority shall report to each person who  
4 received any payment or refund from the authority during the preceding year  
5 information relative to the value of such payment or refund.

6 H. All records of the authority indicating the identity of owners and  
7 beneficiaries of education savings accounts and the amounts used or refunded under  
8 an account owner's agreement are not public records.

9 §3100.9. Annual financial report; audits

13 governor and the legislature pursuant to R.S. 24:772. Copies of the audited financial  
14 report also shall be made available, upon request, to persons entering into contracts  
15 with the authority and to prospective account owners in education savings accounts.

16 §3100.10. Effectiveness

17 The authority shall undertake operation of the program created by this  
18 Chapter upon receipt of an appropriation or an award or donation from any other  
19 source sufficient to fund the authority's initial start-up and operational expenses.  
20 Funds appropriated, awarded, or donated to the authority for this purpose shall be  
21 carried forward from year to year and may be expended by the authority as  
22 appropriated. Appropriations to the authority from the Tuition and Savings Fund

HB 650 Engrossed                      2018 Regular Session                      Foil

**Abstract:** Creates the START K12 Program for education savings accounts for tuition expenses at elementary and secondary schools.

**START and START K12 Programs, generally**

Present law creates the La. Student Tuition Assistance and Revenue Trust (START) Program, an education savings program for certain expenses associated with enrolling in an institution of postsecondary education. Provides for earnings enhancements (a "state match") on deposits between 2% and 14% annually; such rate depends on the account category and the account owner's income. Also exempts a portion of annual deposits from an account owner's state tax table income (up to \$2,400 for single filers and \$4,800 for joint filers, per account). Provides for administration by the La. Tuition Trust Authority (LATTA). Proposed law retains present law.

Proposed law creates the La. Student Tuition Assistance and Revenue Trust Kindergarten Through Grade Twelve (START K12) Program, an education savings program that is similar to the START program except that it is for certain expenses associated with enrolling in grades kindergarten through 12. Defines such expenses as tuition in connection with enrollment or attendance at a public or approved nonpublic elementary or secondary school in La., limited to grades kindergarten through 12. Limits disbursements of such expenses to a maximum of \$10,000 per tax year, per beneficiary. Provides for administration by LATTA. Does not provide a state match or for exemption of a portion of annual deposits from an account owner's state tax table income. (Legislation regarding tax exemptions during a Regular Session during an even-numbered year is prohibited by present constitution.) Prohibits a transfer or rollover from a START account to a START K12 account.

**Louisiana Education Tuition and Savings Plan and Fund**

Present law establishes in the state treasury as a special permanent fund the La. Education Tuition and Savings Fund, known as the "Tuition and Savings Fund". Provides for separate accounts for the START Program and for another education savings program authorized by present law. Provides that the legislature shall make yearly appropriations from the respective account to the LATTA for present law purposes.

Proposed law provides that the START Program account shall also be for the START K12 program and that appropriations to LATTA shall also be made for purposes of the START K12 program.

**Abandoned property**

Present law provides that property is presumed abandoned if it is unclaimed by the apparent owner during the time set forth in present law for the particular property. Proposed law adds that unclaimed funds in a START K12 account during any five-year period subsequent to the beneficiary's 20th birthday shall be presumed abandoned.

**Payroll withholdings**

Present law authorizes any employee of the state or a political subdivision in the state to authorize his employer to withhold from his salary amounts for deposit into a START account. Proposed law also grants such employees this authority relative to salary withholdings for deposits to START K12 accounts.

**Public records**

Present law provides a public records exception for all LATTA records indicating the identity of owners and beneficiaries of START education savings accounts and the amounts used or refunded under an account owner's agreement. Proposed law provides an additional public records exception for all such records relative to START K12 accounts.

(Amends R.S. 9:154(A)(15), R.S. 17:3129.4(C), and R.S. 44:4.1(B)(9); Adds R.S. 17:3100.1-3100.10 and R.S. 42:456.2)

**Summary of Amendments Adopted by House**

The Committee Amendments Proposed by House Committee on Education to the original bill:

1. Remove proposed law providing for a "state match" (earnings enhancements) for START K12 program accounts.
