PARKS/RECREATION COMMISSION OR SEE FISC NOTE GF EX Page 1 of 1
Requests the legislative auditor to conduct an audit of the Recreation & Park Commission for the Parish of East Baton Rouge.

The proposed resolution requests the Legislative Auditor (LLA) to conduct a full and complete audit of the EBR Parish Recreation & Park Commission (BREC) that spans approximately 5 calendar years. It further requests the LLA to examine or identify and analyze the economy, efficiency, effectiveness or usefulness of all studies commissioned by BREC, and professional, general, and noncompliance/competitive bid contracts with an individual or entity; and to examine, list, and report on the progress and any need for future funding for completion of current and proposed projects.

EXPENDITURE EXPLANATION

This is an urge and request resolution that may not result in a fiscal impact. To the extent that the LLA performs the audit as specified in the resolution, SGF expenditures would increase by approximately \$264,000 (2,400 hours X \$110 billable rate) and the agency cannot absorb the additional expense with existing resources. LLA indicates the scope of the audit would require extensive survey and analysis efforts from various sections of the office to consider an unknown number of studies, contracts, and projects; and the levels of difficulty will depend on volume, complexity, type size, condition of data, and availability of data.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
