

HOUSE SUMMARY OF SENATE AMENDMENTS

HB 748

2018 Regular Session

Emerson

LICENSING: Establishes the Occupational Licensing Review Act

Synopsis of Senate Amendments

1. Deletes all provisions of the Occupational Licensing Review Act.
2. Requires the governor to review on an annual basis 20% of agencies engaged in regulatory and licensing activities. Further requires all such agencies to be reviewed by governor within five years.
3. Requires information obtained from annual reviews to be made available to the public in a timely manner.

Digest of Bill as Finally Passed by Senate

Present law provides relative to reports to the governor by regulatory agencies.

Present law authorizes the governor to request and receive, in such manner and at such time as he may direct, information relating to the activities of certain agencies.

Proposed law retains present law and requires the governor to review on an annual basis not less than 20% of the agencies engaged in regulatory and licensing activities.

Proposed law provides that within five years, the governor shall have reviewed all such agencies.

Proposed law requires information obtained from annual reviews to be made available to the public in a timely manner.
