

RÉSUMÉ DIGEST

ACT 8 (HB 313)

2018 Regular Session

Anders

Existing law creates the La. Agricultural Commodities Commission within the Dept. of Agriculture and Forestry and provides for the membership, terms, nominees, filling of vacancies, oaths, per diem, quorum, domicile, and meetings of the commission.

Prior law required the commission to meet four times per calendar year and allowed additional meetings upon the call of the chairman.

New law changes the required meetings of the commission from four to three per year, with additional meetings as called by the chairman.

Effective August 1, 2018.

(Amends R.S. 3:3403(J))
