The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Christine Arbo Peck.

DIGEST

SB 39 Original

2019 Regular Session

Thompson

<u>Proposed law</u> prohibits labeling "milk" products that do not comply with the definition of milk in proposed law.

<u>Proposed law</u> requires the Louisiana Department of Health to enforce the US FDA's standard of identity for milk, the Pasteurized Milk Ordinance, and the provisions of <u>proposed law</u> to prohibit the sale of plant-based products mislabeled as milk.

<u>Proposed law</u> shall be enforced when the US FDA begins to enforce the standards of identity for milk.

Effective August 1, 2019.
