EXPENDITURE EXPLANATION

Proposed law may result in an indeterminable increase in SGF expenditures for the Department of Public Safety and Corrections - Corrections Services if a person is convicted of terrorizing of a judge or law enforcement officer. The maximum imprisonment term is fifteen years with or without hard labor. The number of individuals that may be convicted under the provisions of proposed law is indeterminable.

SGF expenditures will increase by \$60.09 per offender per day if an offender is housed in a state facility or \$24.39 for a state offender housed in a local facility. An offender sentenced to the custody of the Department of Public Safety and Corrections - Correction Services for one year would increase SGF expenditures by \$21,992.03 (\$60.09 per day x 366 days) if housed in a state facility and \$8,926.74 (\$24.39 per day x 366 days) if housed in a local facility.

REVENUE EXPLANATION

Proposed law may result in an indeterminable increase in Local Funds revenue as a result of potential fines if a person is convicted of terrorizing of a judge or law enforcement officer. The maximum fine is \$15,000. The potential revenue will accrue to the local governing authority. The potential net effect on sentencing decisions cannot be determined and the potential revenue impact is therefore unknown.
