Proposed law authorizes an individual who installs a Dept. of Public Safety and Corrections approved ignition interlock device as a requirement of bail, a part of a pre-trial diversion program, or a term of a suspended or deferred sentence as provided in present law, for an offense involving the operation of a motor vehicle under the influence of alcohol, drugs, or both, and was arrested or subsequently convicted of such an offense, to receive credit towards suspension time or any reinstatement requirement that may be imposed if any of the following occurs:
