

RÉSUMÉ DIGEST

HCR 34

2019 Regular Session

Davis

Urges and requests the La. Department of Health (LDH) to study the costs and benefits associated with the potential addition of mucopolysaccharidosis type I and Pompe disease to the state's newborn screening panel.

Requires LDH to submit a written report of findings resulting from the study to the legislative committees on health and welfare on or before Jan. 1, 2020.

Requires LDH to add mucopolysaccharidosis type I and Pompe disease to the newborn screening panel expeditiously when funding for this purpose is available.
