ACT 95 (HB 87)

2019 Regular Session

Leopold

Existing law authorizes supplementary pay of \$500 per month for any regularly employed fire protection officer who has completed one year of service and is paid not less than \$300 per month by any municipality, parish, fire protection district, or other political subdivision maintaining a fire department or by the Chitimacha Tribe of La., Coushatta Tribe of La., or any nonprofit corporation contracting with any political subdivision. Further authorizes supplemental pay for certain full-time firefighters with the New Orleans port authority.

New law adds full time fire protection officers of the Plaquemines Port Harbor and Terminal District to the list of fire protection officers authorized to receive supplemental pay of \$500 per month. If supplemental pay is increased for other fire protection officers as provided in existing law, then new law authorizes a supplemental pay increase for fire protection officers of the Plaquemines Port Harbor and Terminal District.

Effective July 1, 2020.
