

RÉSUMÉ DIGEST

ACT 107 (HB 264)

2019 Regular Session

Hilferty

Existing law creates the Lakeshore Crime Prevention District in Orleans Parish as a political subdivision for the purpose of aiding in crime prevention.

Prior law provided that the district would achieve this purpose by providing for an increase in the presence of law enforcement personnel in the district. New law provides that the district shall achieve this purpose by:

- (1) Procuring private patrol services, security cameras, and other products or services reasonably designed to enhance the security of district residents.
- (2) Disseminating newsletters or other information on crime prevention or security matters.
- (3) Engaging in other activities ancillary to crime prevention.

Existing law authorizes the governing authority of the city of New Orleans, subject to voter approval, to impose a parcel fee on behalf of the district. Prior law provided that the maximum fee was \$360 per improved parcel per year. New law provides that the maximum fee is \$420 per improved parcel per year.

Prior law provided that the fee expired on Dec. 31, 2010. New law provides that the fee expires at the end of the term provided for in the proposition authorizing the fee. Existing law authorizes renewal of the fee, subject to voter approval.

New law provides that the provisions of the Act have no effect on the parcel fee being imposed within the district on the effective date of the Act.

Effective August 1, 2019.
