HB 24 Original

2020 Regular Session

Ivey

Abstract: Provides relative to Teachers' Retirement System of La. (TRSL) retirees who are employed by a private company to provide tutoring or standardized test preparation services.

Present law defines the term "teacher" for purposes of present law applicable to TRSL. Excludes certain persons from the definition of teacher.

Present law provides relative to the reemployment of TRSL retirees in teaching and related positions. Requires suspension or reduction of retirement benefits for certain retirees who return to active service as *teachers* even if such employment is based on employment by contract or corporate contract.

Proposed law excludes from the definition of teacher a person employed by a private company to provide tutoring or standardized test preparation services, regardless of any contractual relationship that may exist between the company and an employer as defined by present law.
