The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Jerry J. Guillot.

## DIGEST 2020 Regular Session

Abraham

<u>Present law</u> grants discretion to individual pharmacists to decline to fill a prescription based on his or her professional judgment.

<u>Proposed law</u> retains <u>present law</u> and prohibits chain pharmacies from enforcing any policy which would restrict the quantity or dosage of a prescription for a controlled substance or restricts a filling a prescription for a controlled substance issued by a specific prescriber.

Effective August 1, 2020.
