14 (4) The parent or tutor of the pupil who has been recommended for expulsion
15 pursuant to this Section may, within five days after the decision is rendered, request
16 the city or parish school board to review the findings of the superintendent or his
17 designee at a time set by the school board; otherwise the decision of the
18 superintendent shall be final. If requested, as herein provided, and after reviewing

12 K.(1) For the purposes of this Subsection, "virtual instruction" shall mean
13 instruction provided to a student through an electronic delivery medium including
14 but not limited to electronic learning platforms that remotely connect a student to
15 classroom instruction from school property. A city or parish school board discipline
16 policy shall clearly define the rules of conduct and expectations of students engaged
17 in virtual instruction, shall provide for notice of such rule and expectations to the
18 parents and guardians of students, shall include clearly defined consequences of
19 conduct, shall be narrowly tailored to address compelling government interests, and
20 shall take into consideration the students and their families' rights to privacy and
21 other constitutional rights while at home or in a location that is not school property.

22 (2) Any student who has been subjected to suspension or recommended for
23 expulsion for behavior displayed while participating in virtual instruction shall be
24 entitled to the following:

25 (a) A hearing within thirty days conducted by the school board to determine
26 whether charges should be dismissed and to provide the student with any other relief
27 including but not limited to reinstating a student's enrollment status.

1 (b) De novo judicial review of the decision of the school board to have his
2 record cleared of the charge, to remove any other conditions placed on the student,
3 and to obtain any other relevant relief.

4 (c) Judicial review of any decision by the school board in the district court
5 where the student's school is located.

6 (d) Attorney fees awarded to the student, his parent, guardian, or tutor to
7 clear a student's record.

8 L. If a judgment is rendered in favor of a student who sought judicial review
9 of a decision of a school board pursuant to this Section, the judgment may include
10 an award for attorney fees if the court finds any school official acted in a grossly
11 negligent manner; with deliberate disregard for the consequences of his actions to
12 the student; with willful or malicious indifference; with intent to deprive the student,
13 his parent, guardian, or tutor of due process; or initiated a charge that is knowingly
14 false. The court may award any damages appropriate under the circumstances and
15 render any other appropriate relief including but not limited to requiring the school
16 board to issue an official apology letter, which shall be provided to the student, his
17 parent, guardian, or tutor, and retained in the student's educational records.

18 Section 2. This Act shall be applied retroactively to March 13, 2020, when all public
19 schools were ordered to close facilities to students pursuant to Section 2 of State of
20 Louisiana Executive Department Proclamation Number JBE 2020-27, "Additional Measures
21 for COVID-19 Public Health Emergency". This Act shall also be given prospective
22 application.

23 Section 3. No later than December 31, 2020, every public school board shall comply
24 with the provisions of R.S. 17:416.8 and convene a meeting of its disciplinary policy review
25 committee to update all policies and procedures relative to conduct that occurs at home or
26 other locations that are not school property where a student is participating in virtual
27 instruction.

28 Section 4. This Act shall become effective upon signature by the governor or, if not
29 signed by the governor, upon expiration of the time for bills to become law without signature
