BY SENATOR MIZELL

CHILDREN/FAMILY SERVICES DEPT. Directs the Department of Children and Family Services to comply with Senate Resolution 52 of the 2020 First Extraordinary Session and report to the legislature on the impact and success of the department's guidelines on care setting decision making for children under age six.

A RESOLUTION

To direct the Department of Children and Family Services to comply with Senate Resolution 52 of the 2020 First Extraordinary Session and report to the legislature on the impact and success of the department's guidelines on care setting decision making for children under age six.

WHEREAS, the Senate adopted Senate Resolution 52 of the 2020 First Extraordinary Session on June 30, 2020, requesting the Department of Children and Family Services to provide certain information regarding the foster care program and implementation and application of Document 6-305, entitled Guidelines for Care Setting Decision Making for Children under Age Six; and

WHEREAS, Senate Resolution 52 asked for the requested information no later than October 1, 2020; and

WHEREAS, having not received the information by the date requested, the Senate Committee on Health and Welfare included on its October 14, 2020, agenda, *Presentation by the Department of Children and Family Services regarding SR52 of the 2020 1st Extraordinary Session*; and

WHEREAS, after the agenda posted the Department of Children and Family Services provided multiple reasons why they would not attend the hearing, including a written

1 correspondence received the morning of the hearing that stated in part "Senate Resolution
2 52 was introduced and passed on June 30, 2020, the last day of the 2020 First Extraordinary
3 Session. The Department was not aware of its introduction or passage. SR 52 states that "a
4 copy of the Resolution shall be transmitted to the secretary of the Department of Children
5 and Family Services". The Resolution was not transmitted; and

6 WHEREAS, Senate records indicate that a courtesy copy of the Resolution was
7 transmitted to the secretary on July 2, 2020; and

8 WHEREAS, regardless of whether the Resolution was transmitted or not,
9 Resolutions adopted by the legislature are effective once adopted; the transmittal referenced
10 and provided for in the Resolution is merely a courtesy copy; and

11 WHEREAS, the expectation of the Senate is that when a Resolution is adopted it will
12 be adhered to by an agency and that when a committee with oversight authority over a state
13 agency requests their presence for a hearing, the agency will send an appropriate
14 representative with subject matter expertise; and

15 WHEREAS, it was to the dismay of the chairman and members of the Committee
16 on Health and Welfare that not a single representative from the Department of Children and
17 Family Services willingly appeared before the committee to discuss the most important issue
18 of foster child care; and

19 WHEREAS, it was only after members of the committee vocally expressed their
20 frustration that the department made an appearance; and

21 WHEREAS, upon arrival the secretary would not answer direct questions about the
22 foster care program that her agency administers, including those covered by Document
23 6-305, under the assertion that she was prevented from doing so as a result of pending
24 litigation; and

25 WHEREAS, the Senate Committee on Health and Welfare was not seeking
26 information relative to the pending litigation, but rather about the administration of the foster
27 care program, and after a communication impasse and moment of silence the committee "hit
28 the reset button" and adjourned with the expectation that the data will be provided and a
29 future hearing will be held; and

30 WHEREAS, the Senate Committee on Health and Welfare is committed to exercising

1 its oversight authority on this matter and better understanding the current state of the
2 department administered foster care program completely irrespective of the litigation
3 pending against the department; and

4 WHEREAS, the first step in that process is collection of the data requested in Senate
5 Resolution 52 followed by a thorough hearing in which the department attends and
6 participates; and

7 WHEREAS, since there has been no progress on this request since Senate Resolution
8 52 was adopted on June 30, 2020, the Senate now sees fit to direct the Department of
9 Children and Family Services to cooperate on this matter.

10 THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana
11 does hereby direct the Department of Children and Family Services to comply with Senate
12 Resolution 52 of the 2020 First Extraordinary Session and report to the legislature on the
13 impact and success of the department's guidelines on care setting decision making for
14 children under age six.

15 BE IT FURTHER RESOLVED that the department shall address all of the following

5 BE IT FURTHER RESOLVED that the department shall not be required to provide

6 any confidential, personally identifiable, or otherwise sensitive information in the report

7 submitted pursuant to this Resolution.

8 BE IT FURTHER RESOLVED that the department shall submit the report requested
