2021 Regular Session

Johns

<u>Present law</u> provides that in the event of the legalization of sports wagering in any parish as a result of the proposition election held on November 3, 2020, the Louisiana Gaming Control Board shall have all regulatory authority, control, and jurisdiction, including investigation, licensing, and enforcement, and all power incidental or necessary to such regulatory authority, control, and jurisdiction over all aspects of sports wagering activities and operations, except as otherwise specified in the Louisiana Gaming Control Law.

<u>Present uncodified law</u> also provides sports wagering shall not be authorized by the Louisiana Gaming Control Board in any such parish until state laws providing for the licensing, regulation, and taxation of sports wagering activities and operations are enacted and become effective.

At the November 2, 2020, election, 55 parishes approved a proposition authorizing sports wagering activities and operations within their parish.

Proposed law retains present law and codifies the condition for board authorization.

<u>Present law</u> defines "sports wagering", for purposes of <u>present law</u>, as the business of accepting wagers on any sports event or sports contest by any system or method of wagering.

Proposed law deletes present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
