SB 213 Engrossed

DIGEST  
2021 Regular Session

Hewitt

Present law prohibits riverboat gaming activities being conducted upon a riverboat berthed or docked at a facility on that portion of Lake Pontchartrain or any waterway connected thereto located within St. Tammany Parish.

Proposed law adds an exception to present law to provide that if both the Louisiana Gaming Control Board approves and a majority of the electors in St. Tammany Parish vote to approve a ballot proposition authorizing such, riverboat gaming may be conducted in accordance with the Louisiana Riverboat Economic Development and Gaming Control Act on that portion of Lake Pontchartrain or any waterway connected thereto located in St. Tammany Parish at the location specified in the ballot proposition.

Proposed law calls a referendum election in St. Tammany Parish to be held at the election scheduled for October 9, 2021, or on a succeeding appropriate date selected by the parish governing authority.

Proposed law provides for the proposition on the ballot to read: "Shall gaming operations and activities authorized by the Louisiana Riverboat Economic Development and Gaming Control Act be authorized in St. Tammany Parish at a site along those certain waterways in St. Tammany Parish along portions of Lake Pontchartrain that are part of the Lakeshore Marina located south and east of Interstate 10, Exit 261, and shall (Name of licensee approved by the Louisiana Gaming Control Board) or successors and assigns be authorized to relocate from its current location to the location in St. Tammany Parish described above, and to thereon develop a gaming, hotel, and resort operation all in accordance with the Louisiana Gaming Control Law, the Louisiana Gaming Control Board, the Louisiana Election Code, and other relevant constitutional and statutory authority?"

Proposed law provides that if the board approves the new berth or docking facility and a majority of the voters vote in favor of the proposition, the licensee may relocate operations to the approved berth or docking facility in St. Tammany Parish on that portion of Lake Pontchartrain, specifically the waterways that are a part of the Lakeshore Marina located south and east of Interstate 10, Exit 261.

Proposed law provides that the licensee shall remain subject to the regulatory authority of the board and present law.

Proposed law requires the governing authority of St. Tammany Parish to insert the name of the licensee in the ballot language provided for in proposed law, if the La. Gaming Control Board authorizes a riverboat gaming licensee to conduct riverboat gaming operations or activities at the location in St. Tammany Parish as provided for in proposed law.

Proposed law requires the election to be conducted pursuant to the La. Election Code, including the provisions providing for the responsibility of the parish governing authority to provide notice to the public.

Present law authorizes the conducting of gaming activities on a riverboat while on designated rivers or waterways.

Proposed law adds the portion of Lake Pontchartrain, specifically the waterways that are a part of the Lakeshore Marina located south and east of Interstate 10, Exit 261 in St. Tammany Parish to the designated rivers and waterways upon which gaming activities may be conducted and otherwise retains present law.

Present law provides that the addition of a designated river or waterway is contingent upon approval of the voters in a referendum election held in any parish which borders the proposed river's or waterway's banks.

Proposed law retains present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
