SENATE RESOLUTION NO. 36

BY SENATOR JACKSON

LAW ENFORCEMENT. Creates a task force to study the implementation of a partnership between law enforcement agencies and safety net hospitals.

| 1 | A RESOLUTION |
|----|---|
| 2 | To create a task force to study the implementation of a partnership between law enforcement |
| 3 | agencies and safety net hospitals to reduce or eliminate incidents of law enforcement |
| 4 | officers going to nonviolent calls or behavioral or social crises in which no crime has |
| 5 | taken place. |
| 6 | WHEREAS, today, law enforcement officers spend a considerable amount of their |
| 7 | time responding to low-priority 911 calls related to quality-of-life issues or social service |
| 8 | needs; and |
| 9 | WHEREAS, many of these calls for service could be safely resolved by trained |
| 10 | civilians experienced in finding long-term solutions to the root causes of community |
| 11 | concerns; and |
| 12 | WHEREAS, law enforcement officers who respond to mental health crises may not |
| 13 | be trained to try and communicate with the person in crisis or nearby community and family |
| 14 | members; and |
| 15 | WHEREAS, the Center for American Progress (CAP) and the Law Enforcement |
| 16 | Action Partnership (LEAP) propose that cities establish a new branch of civilian first |
| 17 | responders known as "community responders" who would be dispatched in response to calls |
| 18 | for service that often do not need a police response; and |

ORIGINAL SR NO. 36

| 1 | WHEREAS, dispatching civilians in lieu of law enforcement officers can reduce |
|--|--|
| 2 | unnecessary police responses and help prevent unjust arrests and uses of force, which |
| 3 | disproportionately affect people with behavioral health disorders and disabilities; and |
| 4 | WHEREAS, it would also free up law enforcement resources, allowing officers to |
| 5 | spend more time on key tasks such as addressing serious crime and building proactive |
| 6 | relationships with communities; and |
| 7 | WHEREAS, in an analysis of 911 data from five American cities, CAP and LEAP |
| 8 | found that 23 percent to 45 percent of calls for service were for less urgent or noncriminal |
| 9 | issues such as noise complaints, disorderly conduct, wellness checks, or behavioral health |
| 10 | concerns; and |
| 11 | WHEREAS, according to a recent CAP and LEAP report, across eight American |
| 12 | cities, community responders could have responded to between 21 percent and 38 percent |
| 13 | of 911 calls, and an additional 13 percent to 33 percent of calls could be resolved |
| 14 | administratively without dispatching an officer; and |
| 15 | WHEREAS, a number of cities have already implemented civilian first response |
| 16 | programs that incorporate elements of the community responder model; and |
| | |
| 17 | WHEREAS, community responders would be dispatched in response to two specific |
| 17 18 | WHEREAS, community responders would be dispatched in response to two specific categories of calls: |
| | |
| 18 | categories of calls: |
| 18 19 | categories of calls: (1) Behavioral health and social service calls. Community responders trained as |

| SR 36 Original | 2021 Regular Session | Jackson |

Creates a task force to study the implementation of a partnership between law enforcement agencies and safety net hospitals to reduce or eliminate incidents of law enforcement officers going to nonviolent calls or behavioral or social crises in which no crime is reported.

Provides that the task force be composed of the following:

- (1) A representative of the La. Department of Health, Office of Behavioral Health, designated by the secretary of the department.
- (2) A representative of the Governor's Office of Disability Affairs, as designated by the governor.
- (3) A representative of the National Alliance on Mental Illness (NAMI) Louisiana Chapter and a patient advocate for mental health, designated the president of the chapter.
- (4) A representative of the La. Psychological Association, as designated by the president of the association.
- (5) A representative of the Capital Area Human Services District and a patient advocate for mental health, designated by the dean of the board of directors.
- (6) A representative of the La. Chiefs of Police Association, designated by the president of the association.
- (7) A representative of the La. Sheriffs' Association, designated by the president of the association.
- (8) A representative of LSU Shreveport, designated by the chancellor of the university.

- (9) A representative of Ochsner LSU Health Shreveport Monroe Medical Center, designated by the chief executive officer of the medical center.
- (10) A representative of Ochsner Medical Center New Orleans, designated by the chief executive officer of the medical center.
- (11) A representative of Louisiana's Mental Health Advocacy Service and a patient advocate for mental health, designated by the chief of the board of trustees of the agency.

Requires that the task force submit a written report to the Senate no later than February 15, 2022.
