4 A. Insurers may acquire, hold, or invest in investments or engage in
5 investment practices as set forth in this Subpart only. Investments not
6 conforming to this Subpart shall not be admitted assets.

7 B. No security or other investment shall be eligible for purchase or
8 acquisition pursuant to this Subpart unless it is interest bearing or interest
9 accruing or dividend or income paying or eligible for dividends or income, is not
10 then in default in any respect, and the insurer is entitled to receive for its
11 exclusive account and benefit, the interest or income accruing thereon; except
12 that it may acquire immovable property for occupancy by the insurer for home
13 and branch office purposes. No security shall be eligible for purchase at a price
14 above its market value.

15 C. Except as provided in Subsections D and E of this Section, an
16 investment shall qualify pursuant to this Subpart if, on the date the insurer
17 committed to acquire the investment or on the date of its acquisition, it would
18 have qualified pursuant to this Subpart. For the purposes of determining
19 limitations contained in this Subpart, an insurer shall give appropriate
20 recognition to any commitments to acquire investments.

21 D.(1) An investment held as an admitted asset by an insurer on January
22 1, 2022, which qualified pursuant to this Title shall remain qualified as an
23 admitted asset pursuant to this Subpart.

24 (2) Each specific transaction constituting an investment practice of the
25 type described in this Subpart that was lawfully executed by an insurer and was

27 Subpart until its expiration or termination under its terms.

2 at the time of qualification or requalification.

3 F. An insurer may acquire or hold as admitted assets any of the following
4 investments that do not otherwise qualify as provided in this Subpart if the
5 insurer has not acquired them for the purpose of circumventing any limitations
6 contained in this Subpart, if the insurer acquires the investments in the
7 following circumstances, and the insurer complies with the provisions of R.S.
8 22:601.5 and 601.18 as to the investments:

9 (1) As payment on account of existing indebtedness or in connection with
10 the refinancing, restructuring, or workout of existing indebtedness, if taken to
11 protect the insurer's interest in that investment.

12 (2) As realization on collateral for an obligation.

13 (3) In connection with an otherwise qualified investment or investment

22 the ceding, merged, or consolidated companies.

23 G. An investment or portion of an investment acquired by an insurer
24 pursuant to Subsection F of this Section shall become a nonadmitted asset three
25 years, or five years in the case of mortgage loans and real estate, from the date

27 qualified investment pursuant to this Subpart, except as provided in Subsection
28 F of this Section, but an investment acquired under an agreement of bulk
29 reinsurance, merger, or consolidation may be qualified for a longer period if
30 provided in the plan for reinsurance, merger, or consolidation as approved by

1 the commissioner. Upon application by the insurer and a showing that the
2 nonadmission of an asset held pursuant to Subsection F of this Section would
3 materially injure the interests of the insurer, the commissioner may extend the
4 period for admissibility for an additional reasonable period. An aggrieved party
5 affected by the commissioner's decision, act, or order may demand a hearing in
6 accordance with R.S. 22:2191 et seq.

7 H. The investments of a foreign or alien insurer shall be as permitted by
8 the laws of its domicile but shall be of a quality substantially as high as those
9 required pursuant to this Subpart for similar funds of like domestic insurers.

14 J. An insurer shall maintain documentation demonstrating that
15 investments were acquired in accordance with this Subpart and specifying the
16 Section of this Subpart under which they were acquired.

19 securities by the issuer or otherwise guarantee the distribution, except that an
20 insurer may acquire privately placed securities with registration rights.

21 L. Notwithstanding the provisions of this Subpart, the commissioner, for
22 good cause, may order, pursuant to rules or regulations promulgated and
23 adopted in accordance with the Administrative Procedure Act, an insurer to
24 nonadmit, limit, dispose of, withdraw from, or discontinue an investment or
25 investment practice. The authority of the commissioner under to this Subsection
26 shall be in addition to any other authority of the commissioner.

28 considered investments or investment practices for purposes of this Subpart.

29 N. The commissioner may retain at the insurer's expense attorneys,
30 actuaries, accountants, and other experts not otherwise a part of the

1 commissioner's staff as may be reasonably necessary to assist in reviewing the
2 insurer's investments. These persons retained shall be under the direction and
3 control of the commissioner and shall act in a purely advisory capacity.

4 O. If the commissioner determines that an insurer's investment practices
5 do not comply with the provisions of this Subpart, the commissioner may, after
6 notification to the insurer of the commissioner's findings, order the insurer to
7 make changes necessary to comply with the provisions of this Subpart.

8 P. If the commissioner determines that by reason of the financial
9 condition, current investment practice, or current investment plan of an
10 insurer, the interests of insureds, creditors, or the general public are or may be
11 endangered, the commissioner may impose reasonable additional restrictions
12 upon the admissibility or valuation of investments or may impose restrictions
13 on the investment practices of an insurer, including prohibition or divestment.

14 Q. The commissioner may count toward satisfaction of the minimum
15 asset requirement any assets in which an insurer is required to invest under the
16 laws of a country other than the United States as a condition for doing business
17 in that country if the commissioner determines that counting them does not
18 endanger the interests of insureds, creditors, or the general public.

19 §601.3. Insurer investment policy

20 A. In acquiring, investing, exchanging, holding, selling, or managing
21 investments, an insurer shall follow a written investment policy established by
22 its board of directors which shall be reviewed and approved annually. There is

26 **R.S. 22:601.10(B) if, as a result of and after giving effect to the investment and**

28 **aggregate amount of all investments then held by the insurer pursuant to this**
29 **Section and R.S. 22:601.10(B) plus the guarantees then outstanding would**
30 **exceed forty-five percent of its admitted assets.**

1 F. Notwithstanding any other provision of law to the contrary, a
2 domestic insurer is entitled to the same benefits and exemptions relative to state
3 usury laws, specifically R.S. 9:3500 and 3503, granted to banks and savings and

8 §601.10. Real estate

9 A. An insurer may acquire, manage, and dispose of real estate for the
10 convenient accommodation of the insurer's business operations, which may
11 include its affiliates, including home office, branch office, and field office

17 for the purpose of producing income to help defray the cost of acquisition,
18 construction, and maintenance of the building, as well as a return on the
19 investment in addition to that derived from the company's own use of a portion
20 of the property. The investment in a building shall not exceed ten percent of the
21 company's assets in that country.

22 (2) No insurer shall acquire real estate if, as a result of and after giving
23 effect to the acquisition, the aggregate amount of all real estate then held by the
24 insurer pursuant to this Section would exceed ten percent of its admitted assets.

25 (3) Upon approval by the commissioner, additional amounts of real
26 estate may be acquired pursuant to this Section upon a determination by the
27 commissioner that the amount represented by the percentage of its admitted
28 assets is insufficient to provide convenient accommodation for the insurer's
29 business and would not render the insurer in hazardous financial condition.

30 B.(1) An insurer may acquire real estate situated in the United States

1 that is income producing or after suitable improvement within five years from
2 acquisition can reasonably be expected to produce income.

3 (2) The insurer may thereafter own, hold, maintain, and manage the real
4 estate so acquired and the improvements thereon and collect or receive income
5 therefrom and may grant, sell, or convey the same in whole or in part.
6 Ownership, management, and control shall be entire and complete by one
7 insurer unless shared by two or more insurers subject to this Title or unless the
8 insurer is a general partner under agreements that will assure concerted action
9 in the management and control of the property and in case of the insolvency of
10 any participating insurer.

11 C.(1) No insurer shall acquire an investment pursuant to this Section if,
12 as a result of and after giving effect to the investment and any outstanding
13 guarantees made by the insurer in connection with the investment, the
14 aggregate amount of investments then held by the insurer plus the guarantees
15 then outstanding would exceed one of the following:

16 (a) Five percent of its admitted assets in any one parcel or group of
17 contiguous parcels of real estate.

18 (b) Fifteen percent of its admitted assets in the aggregate, but not more
19 than five percent of its admitted assets as to properties that are to be improved
20 or developed.

21 (2) No insurer shall acquire an investment pursuant to R.S. 22:601.9 or
22 Subsection B of this Section if, as a result of and after giving effect to the
23 investment and any guarantees it has made in connection with the investment,
24 the aggregate amount of all investments then held by the insurer pursuant to
25 R.S. 22:601.9 and Subsection B of this Section plus the guarantees then
26 outstanding would exceed forty-five percent of its admitted assets.

27 D. Orders or decisions of the commissioner of insurance shall be subject
28 to review as provided in R.S. 22:2191 et seq.

29 §601.11. Securities transactions; lending, repurchase, reverse repurchase,
30 dollar roll

1 An insurer may execute securities lending, repurchase, reverse
2 repurchase, and dollar roll transactions with business entities having a net
3 worth of at least one hundred million dollars, subject to the following
4 requirements:

5 (1) The insurer's board of directors shall adopt a written plan that is
6 consistent with the requirements of the written plan in R.S. 22:601.3(A) that
7 specifies guidelines and objectives to be followed, including but not limited to
8 the following:

9 (a) A description of how cash received will be invested or used for
10 general corporate purposes of the insurer.

11 (b) Operational procedures to manage interest rate risk, counterparty
12 default risk, the conditions under which proceeds from repurchase transactions
13 may be used in the ordinary course of business, and the use of acceptable
14 collateral in a manner that reflects the liquidity needs of the transaction.

15 (c) The extent to which the insurer may engage in these transactions.

16 (2) The insurer shall execute a written agreement for all transactions
17 authorized in this Section other than dollar roll transactions. The written
18 agreement shall require that each transaction terminate no more than one year
19 from its inception or upon the earlier demand of the insurer. The agreement
20 shall be with the business entity counterparty, but for securities lending
21 transactions, the agreement may be with an agent acting on behalf of the
22 insurer, if the agent is a qualified business entity, and if the agreement does all
23 of the following:

24 (a) Requires the agent to execute separate agreements with each
25 counterparty that are consistent with the requirements of this Section.

26 (b) Prohibits securities lending transactions under the agreement with
27 the agent or its affiliates.

28 (3) Cash received in a transaction under this Section shall be invested in
29 accordance with this Subpart and in a manner that recognizes the liquidity
30 needs of the transaction or used by the insurer for its general corporate

1 purposes. While the transaction remains outstanding, the insurer, its agent, or
2 custodian shall maintain, as to acceptable collateral received in a transaction
3 under this Section, either physically or through the book entry systems of the
4 Federal Reserve, Depository Trust Company, Participants Trust Company, or
5 other securities depositories approved by the commissioner:

6 (a) Possession of the acceptable collateral.

7 (b) A perfected security interest in the acceptable collateral.

8 (c) In the case of a jurisdiction outside of the United States, title to, or
9 rights of a secured creditor to, the acceptable collateral.

10 (4) The limitations of R.S. 22:601.6 and 601.12 shall not apply to the
11 business entity counterparty exposure created by transactions under this
12 Section. For purposes of calculations made to determine compliance with this
13 Subsection, no effect will be given to the insurer's future obligation to resell
14 securities, in the case of a reverse repurchase transaction, or to repurchase
15 securities, in the case of a repurchase transaction. No insurer shall execute a
16 transaction under this Section if, as a result of and after giving effect to the
17 transaction, any of the following occur:

18 (a) The aggregate amount of securities then loaned, sold to, or purchased
19 from any one business entity counterparty under this Section would exceed five
20 percent of its admitted assets. In calculating the amount sold to or purchased
21 from a business entity counterparty under repurchase or reverse repurchase
22 transactions, effect may be given to netting provisions under a master written
23 agreement.

24 (b) The aggregate amount of all securities then loaned, sold to, or
25 purchased from all business entities under this Section would exceed forty
26 percent of its admitted assets, but the limitation of this Paragraph shall not
27 apply to reverse repurchase transactions if the borrowing is used to meet
28 operational liquidity requirements resulting from an officially declared
29 catastrophe and subject to a plan approved by the commissioner.

30 (5) In a securities lending transaction, the insurer shall receive

1 acceptable collateral having a market value as of the transaction date at least
2 equal to one hundred two percent of the market value of the securities loaned
3 by the insurer in the transaction as of that date. If at any time the market value
4 of the acceptable collateral is less than the market value of the loaned securities,
5 the business entity counterparty shall be obligated to deliver additional
6 acceptable collateral, the market value of which, together with the market value
7 of all acceptable collateral then held in connection with the transaction, at least
8 equals one hundred two percent of the market value of the loaned securities.

9 (6) In a repurchase transaction, other than a dollar roll transaction, the
10 insurer shall receive acceptable collateral having a market value as of the
11 transaction date at least equal to ninety-five percent of the market value of the
12 securities transferred by the insurer in the transaction as of that date. If at any
13 time the market value of the acceptable collateral is less than ninety-five percent
14 of the market value of the securities so transferred, the business entity
15 counterparty shall be obligated to deliver additional acceptable collateral, the
16 market value of which, together with the market value of all acceptable
17 collateral then held in connection with the transaction, at least equals
18 ninety-five percent of the market value of the transferred securities.

19 (7) In a dollar roll transaction, the insurer shall receive cash in an
20 amount at least equal to the market value of the securities transferred by the
21 insurer in the transaction as of the transaction date.

22 (8) In a reverse repurchase transaction, the insurer shall receive as
23 acceptable collateral transferred securities having a market value at least equal
24 to one hundred two percent of the purchase price paid by the insurer for the
25 securities. If at any time the market value of the acceptable collateral is less
26 than one hundred percent of the purchase price paid by the insurer, the
27 business entity counterparty shall be obligated to provide additional acceptable
28 collateral, the market value of which, together with the market value of all
29 acceptable collateral then held in connection with the transaction, at least equals
30 one hundred two percent of the purchase price. No securities acquired by an

1 insurer in a reverse repurchase transaction shall be sold in a repurchase
2 transaction, loaned in a securities lending transaction, or otherwise pledged.

3 §601.12. Foreign investments and foreign currency exposure

5 Dominion of Canada or of Canadian provinces or municipalities, and in
6 obligations of Canadian corporations as follows:

7 (1) Obligations issued, assumed, guaranteed, or insured by Canada, or

9 government sponsored enterprise are assumed, guaranteed, or insured by
10 Canada or are otherwise backed or supported by the full faith and credit of
11 Canada. No insurer shall acquire an instrument under this Subsection if, as a
12 result of and after giving effect to the investment, the aggregate amount of
13 investments then held by the insurer under this Subsection would exceed forty
14 percent of its admitted assets.

15 (2) No insurer shall acquire a Canadian investment authorized by this

21 Section, an insurer may acquire foreign investments, or engage in investment
22 practices with persons of or in foreign jurisdictions, of substantially the same
23 types as those that an insurer is permitted to acquire under this Subpart, other
24 than of the type permitted pursuant to R.S. 22:601.13, if, as a result and after
25 giving effect to the investment, both of the following conditions are met:

26 (1) The aggregate amount of foreign investments then held by the insurer
27 under this Subsection does not exceed twenty percent of its admitted assets.

28 (2) The aggregate amount of foreign investments then held by the insurer
29 under this Subsection in a single foreign jurisdiction does not exceed ten percent
30 of its admitted assets as to a foreign jurisdiction that has a sovereign debt rating

1 of SVO one or five percent of its admitted assets as to any other foreign
2 jurisdiction.

3 C. An insurer may acquire investments, or engage in investment
4 practices denominated in foreign currencies, whether or not they are foreign
5 investments acquired pursuant to Subsections A and B of this Section, or
6 additional foreign currency exposure as a result of the termination or expiration
7 of a hedging transaction with respect to investments denominated in a foreign
8 currency, if all of the following apply:

9 (1) The aggregate amount of investments then held by the insurer under
10 this Subsection denominated in foreign currencies does not exceed ten percent
11 of its admitted assets.

12 (2) The aggregate amount of investments then held by the insurer under
13 this Subsection denominated in the foreign currency of a single foreign
14 jurisdiction does not exceed ten percent of its admitted assets as to a foreign
15 jurisdiction that has a sovereign debt rating of SVO one or three percent of its
16 admitted assets as to any other foreign jurisdiction.

17 (3) No investment shall be considered denominated in a foreign currency
18 if the acquiring insurer enters into one or more contracts in transactions
19 permitted pursuant to R.S. 22:601.14 and the business entity counterparty
20 agrees under the contract or contracts to exchange all payments made on the
21 foreign currency denominated investment for United States currency at a rate
22 which effectively insulates the investment cash flows against future changes in
23 currency exchange rates during the period the contract or contracts are in
24 effect.

25 D. In addition to investments permitted pursuant to Subsections A, B,
26 and C of this Section, an insurer authorized to do business in a foreign
27 jurisdiction, or that has outstanding insurance, annuity, or reinsurance
28 contracts on lives or risks resident or located in that foreign jurisdiction and
29 denominated in foreign currency of that jurisdiction, may acquire foreign
30 investments respecting that foreign jurisdiction, and may acquire investments

1 denominated in the currency of that jurisdiction; however, investments made
2 pursuant to this Subsection in obligations of foreign governments, their political
3 subdivisions and government sponsored enterprises shall not be subject to the
4 limitations of R.S. 22:601.6. The aggregate amount of investments acquired by
5 the insurer pursuant to this Subsection shall not exceed the greater of either of
6 one of the following:

7 (1) The amount the insurer is required by the law of the foreign
8 jurisdiction to invest in the foreign jurisdiction.

9 (2) One hundred twenty percent of the amount of its reserves, net of
10 reinsurance, and other obligations under the contracts on lives or risks resident
11 or located in the foreign jurisdiction.

12 E.(1) An insurer may acquire obligations issued by the following
13 international development organizations. No insurer shall acquire an
14 instrument of any one of the following organizations if, as a result of and after

26 Economic Co-operation and Development, for which investments in or business
27 transactions with are not prohibited or restricted by any law, regulation, or rule
28 of the United States or this state, and for which the full faith and credit of such
29 nation has been pledged for the payment of principal and interest, but only if
30 the foreign nation has not defaulted and has met its payment obligations in a

1 timely manner on all similar obligations for a period of at least twenty-five
2 years immediately preceding. Additionally, the debt of the issuing country shall
3 be rated at least A- or better by Standard & Poor's Global Ratings or A3 or
4 better by Moody's Investors Service, Inc. or an equivalent investment grade by
5 a securities ratings organization accepted by the NAIC. The total investment in
6 such foreign securities at any one time shall not exceed five percent of an
7 insurer's admitted assets.

8 F. Investments acquired pursuant to this Section shall be aggregated

28 obligations do not have an interest rate that varies inversely to market interest
29 rate changes.

30 (b) Government money market mutual funds.

1 (c) Securities lending, repurchase, and reverse repurchase transactions
2 that meet all the requirements of R.S. 22:601.11, except the quantitative

28 is made.

29 (3) Invest in an obligation or security, make a guarantee for the benefit
30 of or in favor of, or make other investments in a business entity of which ten

24 participating in or abetting the violation of any provision of this Section where
25 fraud is shown to exist shall be fined not less than one thousand dollars nor
26 more than ten thousand dollars, or imprisoned not more than ten years, or both.
27 §601.21. Judicial review; mandamus

28 A. Any person aggrieved by any act, determination, rule, regulation, or
29 order or any other action of the commissioner pursuant to this Subpart may
30 appeal to the Nineteenth Judicial District Court in and for the parish of East

1 Baton Rouge. The court shall conduct its review without a jury and by trial de
2 novo, except that if all parties, including the commissioner, so stipulate, the
3 review shall be confined to the record. Portions of the record may be introduced
4 by stipulation into evidence in a trial de novo as to those parties so stipulating.

5 B. The filing of an appeal pursuant to this Section shall stay the
6 application of any rule, regulation, order, or other action of the commissioner
7 to the appealing party unless the court, after giving the party notice and an
8 opportunity to be heard, determines that a stay would be detrimental to the
9 interest of policyholders, shareholders, creditors, or the public.

10 C. Any person aggrieved by any failure of the commissioner to act or
11 make a determination required by this Subpart may petition the Nineteenth
12 Judicial District Court in and for the parish of East Baton Rouge for a writ of

14 forthwith.
