The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Leonore Heavey.

DIGEST

SB 196 Original

2022 Regular Session

Cathey

<u>Proposed law</u> prohibits the importation of any product from the Russian Federation into this state including but not limited to oil and gas, iron and steel, precious metals, and agricultural products.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(R.S. 51:3221)
