2 On page 2, after line 20, insert the following:

3
4 " * * *

5 §436.1. Administration of medication; definition; conditions; restrictions; exceptions

6 * * *

7 K. (1) Notwithstanding any provision of law or any rule, regulation, or policy to the
8 contrary, the governing authority of each public elementary and secondary school shall adopt
9 a policy authorizing a school nurse or trained school employee to administer auto-injectable
10 epinephrine, as defined in Subparagraph (J)(4)(a) of this Section, to a student who the school
11 nurse or trained school employee, in good faith, professionally believes is having an
12 anaphylactic reaction, whether or not such student has a prescription for epinephrine. At
13 least one employee at each school shall receive training from an anaphylaxis training
14 organization, a registered nurse, or a licensed medical physician in the administration of
15 auto-injectable epinephrine. The school nurse or trained employee may administer the auto-
16 injectable epinephrine to respond to a student's anaphylactic reaction, under a standing
17 protocol from a physician licensed to practice medicine in the state. For the purposes of this
18 Paragraph, an "anaphylaxis training organization" means a nationally recognized
19 organization that provides anaphylaxis education, or a training and whose leadership
20 includes a physician authorized to practice medicine and surgery or osteopathic medicine
21 and surgery and who is board-certified in allergy and immunology as that designation is
22 issued by a medical specialty certifying board recognized by the American Board of Medical
23 Specialties or American Osteopathic Association."

CODING: Words in ~~struck through~~ type are deletions from existing law; words underscored are additions.
