EXPENDITURE EXPLANATION

Proposed law criminalizes abortion. The exact fiscal impact of the passage of this legislation is indeterminable, since the legislation creates a new crime and it is not known how many individuals will be convicted of the crime. However, any offender sentenced to the custody of DPS&C increases SGF expenditures by \$26.39 per day per offender in adult local housing and \$83.23 per day per offender in a state facility. Any offender convicted of these crimes would cost DPS&C \$9,632 annually (\$26.39 per day per offender x 365 days) per offender in adult local housing and \$30,379 annually (\$83.23 per day per offender x 365 days) per offender in a state facility.

REVENUE EXPLANATION

There may be an indeterminable increase in local funds revenue as a result of potential fines if a person is convicted of this new crime. The maximum fine is \$200,000 and the potential revenue will accrue to the local government entities.
