## DIGEST

SB 29 Original

2023 Regular Session

Boudreaux

Proposed law defines "surgical smoke plume" and "surgical smoke plume evacuation system".

<u>Proposed law</u> requires licensed healthcare facilities which provide surgical procedures using energy-based devices, including but not limited to electrosurgery and lasers, to adopt and implement policies for the use of a surgical smoke plume evacuation system to eliminate the surgical smoke plume.

<u>Proposed law</u> provides for the La. Department of Health to verify compliance with <u>proposed law</u> during any onsite inspection and in response to any complaint received relating to an alleged violation of <u>proposed law</u>.

Effective August 1, 2023.
