HB 583 Engrossed

2023 Regular Session

Davis

Abstract: Enacts a time limit on records that may be addressed in an audit.

Present law provides that a local governmental subdivision, upon reasonable written request, may review the business records of a cable service provider or video service provider to the extent necessary to ensure payment of the franchise fee in accordance with present law.

Proposed law amends present law and states that a review shall not address any records produced more than three years from the date the review is commenced.
