EXPENDITURE EXPLANATION

Proposed law decreases the minimum amount of instruction that a cosmetology program must provide. The LA Community and Technical Colleges (LCTCS) system reports that it may experience reduced costs associated with this provision; however, LCTCS anticipates these costs would be marginal.

REVENUE EXPLANATION

LCTCS reports that it may experience a decrease in tuition revenues due to the proposed reduction in the minimum amount of instruction that a cosmetology program must provide; however, LCTCS anticipates these costs would be marginal and offset by the corresponding decrease in expenditures.
