9 following:

10 "(2) At least annually, the list shall be reviewed by the state health officer,  
11 in consultation with departmental genetic disease advisory subject matter  
12 experts, to determine whether additional conditions, including conditions  
13 added to the United States Department of Health and Human Services'  
14 Recommended Uniform Screening Panel (RUSP), should be recommended  
15 to the secretary of the department for inclusion therein.

16  
17 (3) After adding a condition to the list by rulemaking, the Louisiana  
18 Department of Health shall request a legislative appropriation for any  
19 funding necessary for conducting the test and providing the services required  
20 in accordance with Subsection A of this Section.

21 (4) The department shall provide an annual report to the legislature,  
22 beginning March 1, 2024, of any condition added to the RUSP and the  
23 department's review and determination on the condition."
