Abstract: Provides relative to policies and procedures of DPS&C for electronic monitoring equipment.

<u>Present law</u> (R.S. 14:110.2) provides for the crime of tampering with electronic monitoring equipment and provides for penalties.

<u>Proposed law</u> retains <u>present law</u>, but adds an additional penalty of a fine of not more than \$1,000 and imprisonment at hard labor for not more than one year for an offender who violates <u>present law</u> after being released pursuant to a bail undertaking for a felony crime of violence enumerated or defined in <u>present law</u> (R.S. 14:2(B)).

<u>Present law</u> (R.S. 15:571.36) requires DPS&C to develop written policies and procedures in the manner provided in Administrative Procedure Act (APA) for the promulgation of a rule governing the availability, storage, and use of electronic monitoring equipment.

<u>Present law</u> requires these policies and procedures to include the following criteria:

- (1) Secure storage.
- (2) Timely visual inspection of equipment worn by the monitored individual.
- (3) A master listing and inventory.
- (4) Availability of at least one complete backup unit for a number of specified units.
- (5) Responses to system malfunctions.
- (6) Restricted password access to authorized staff.
- (7) Maintenance and cleaning of equipment.

<u>Proposed law</u> retains <u>present law</u>, specifies that the policies and procedures be pursuant to the APA, and adds the following criteria:

- (1) Location accuracy for the indoor, outdoor, and on-demand location of a monitored individual. Also provides for the ability to provide a monitored offender's location accuracy within three minutes of a request.
- (2) Development of zoning capabilities for inclusion and exclusion zones.
- (3) Timely alert notifications from the office of technology services to an authorizing judge or law enforcement agency for all of the following:

- (7) Development and maintenance of a centralized registry that can assist the state in the collection of the following data:
 - (a) The number of persons who are electronically monitored by jurisdiction.
 - (b) The number of violations that occur within each jurisdiction.

<u>Proposed law</u> provides that when an individual has been placed under electronic monitoring, the provider of the electronic monitoring service shall, by noon of the following day, provide law enforcement agencies within the appropriate jurisdiction all of the following information:

- (1) The name and any aliases used by the monitored individual.
- (2) The physical address or addresses of residence of the monitored individual.
- (3) The name and physical address of place of employment. Further provides that if the monitored individual does not have a fixed place of employment, he shall provide information with as much specificity as possible regarding the places where he works, including but not limited to travel routes used by the monitored offender.
- (4) The pending criminal charges against the monitored individual.
- (5) The reason why the monitored individual has been placed under electronic monitoring.

<u>Proposed law</u> provides that after an individual has been placed under electronic monitoring, the court exercising jurisdiction over the monitored individual shall report the information provided in <u>proposed law</u> to all law enforcement agencies within its jurisdiction.

<u>Proposed law</u> provides that any provider of an electronic monitoring service who intentionally withholds or intentionally fails to timely report information as required by

Summary of Amendments Adopted by House

- The Committee Amendments Proposed by <u>House Committee on Administration of</u> <u>Criminal Justice to the original bill:</u>
- 1. Make technical changes.
- 2. Relative to the <u>present law</u> crime of "tampering with electronic monitoring equipment", create a new penalty provision consisting of a fine of not more than \$1,000 and imprisonment at hard labor not more than one year for any offender who violates <u>present law</u> after being released pursuant to a bail undertaking for a felony crime of violence enumerated or defined in <u>present law</u> (R.S. 14:2(B)).
- 3. Clarify that the policies and procedures governing the availability, storage, and use of electronic monitoring equipment shall include alert notifications from the office of technology services to an authorizing judge of law enforcement agency.
- 4. Provide for additional policies and procedures.
- 5. Provide for a reporting requirement for electronic monitoring service providers and the court exercising jurisdiction over the monitored individual.
- 6. Establish a civil fine of not more than \$1,000 for electronic monitoring service providers who intentionally withhold or intentionally fail to timely report information required by proposed law and prohibit any violators from conducting business in La.
- 7. Require all providers who provide electronic monitoring services in Louisiana to register with DPS&C.
- 8. Require DPS&C to suspend or revoke the approval of a electronic monitoring service provider at any time the department determines that the provider has intentionally withheld or intentionally failed to timely report information required by proposed law.

The House Floor Amendments to the engrossed bill:

- 1. Make technical changes.
- 2. Prohibit a violator from registering to provide electronic monitoring services for five years.
- 3. Provide that the attorney general shall have the authority to pursue the civil fine imposed pursuant to proposed law.
- 4. Provide that attorney general may institute any civil action to prohibit any violator of <u>proposed law</u> from conducting business in the state.
- 5. Clarify that DPS&C's written policies and procedures governing the availability, storage, and use of electronic monitoring equipment are to be developed in the manner provided in Administrative Procedure Act (APA) for the promulgation of a rule.
