

RÉSUMÉ DIGEST

HCR 92	2023 Regular Session	Hughes
---------------	-----------------------------	---------------

Requests the La. Dept. of Health (LDH) to ensure timely access to gene therapy as needed to study the feasibility of funding such therapy for all sickle cell treatments covered via Medicaid.

Requests that LDH submit its findings in the form of a written report no later than 30 days prior to the convening of the 2024 Regular Session.
