SB 21 Original	DIGEST 2024 Regular Session	Seabaugh
----------------	--------------------------------	----------

Present law prohibits local municipal authorities or local parish authorities from installing or utilizing automated speed enforcement devices to regulate or enforce traffic on any interstate roadways within their corporate or territorial limits.

Present law allows local municipal authorities or local parish authorities to use mobile speed cameras and red light cameras with required signage to warn motorists that the devices are present.

Proposed law strictly prohibits the use of automated speed enforcement devices, mobile speed cameras, and red light cameras.

Proposed law provides for the definition of automated speed enforcement devices, mobile speed cameras, and red light cameras.

Proposed law repeals present law authority to use automated speed enforcement devices, mobile speed cameras, and red light cameras.

Proposed law provides for an effective date.

Proposed law provides for technical amendments to language.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(Amends R.S. 32:41(B); adds R.S. 32:1(111), (112) and (113) and 62; repeals R.S. 32:43, 44, and 45)
