<u>Present law</u> requires certain elected officials, certain public servants, and members of certain boards and commissions to file either a Tier 1, Tier 2, or Tier 3 financial disclosure statement with the Bd. of Ethics. The required filing tier is determined by the person's office or position. <u>Proposed law</u> retains <u>present law</u>.

<u>Present law</u> provides that any person who becomes a candidate for an office requiring the filing of a Tier 1, Tier 2, or Tier 3 financial disclosure statement shall file the required financial disclosure statement within three business days after the close of qualifying for that office. <u>Proposed law</u> retains present law.

<u>Present law</u> provides that a candidate satisfies the filing requirement if he had previously filed the financial disclosure statement for the office for which he is a candidate.

<u>Proposed law</u> instead provides that if the person holds an office or position that requires filing of the same disclosure required of him as a candidate, such filing as an officeholder satisfies his filing requirement as a candidate.
