The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Amanda Trapp.

## DIGEST 2024 Regular Session

Carter

<u>Proposed law</u> requires hospitals and birthing centers to provide information regarding post-birth warning signs to new mothers and their families upon discharge.

<u>Proposed law</u> requires the Louisiana Department of Health to make the information available to hospitals and birthing centers and to include the information on the department's website.

Effective August 1, 2024.

(Adds R.S. 40:1124.1)
