HB 409 Original	2024 Regular Session	Firmment
-----------------	----------------------	----------

**Abstract:** Prohibits the harassment and disturbance of trappers, hunters, and fishermen on all lands and waters managed by the state, including but not limited to the Northwest La. Game and Fish Preserve, rather than restricting the prohibition to state managed wildlife refuges, wildlife sanctuaries, wildlife management areas, public hunting grounds, and upland game preserves.

Present law prohibits the harassment and disturbance of trappers, hunters, and fishermen on lands and waters managed by the state pursuant to present law regarding wildlife refuges, wildlife sanctuaries, wildlife management areas, public hunting grounds, and upland game preserves.

Proposed law removes the restriction to state-managed wildlife refuges, wildlife sanctuaries, wildlife management areas, public hunting grounds, and upland game preserves in present law to prohibit harassment and disturbance of trappers, hunters, and fishermen on all state-managed lands and waters.

Proposed law further provides that the prohibition applies to the Northwest La. Game and Fish Preserve.

(Amends R.S. 56:648(2) and 648.1(intro. para.))
