## DIGEST 2024 Regular Session

Owen

<u>Present law</u> requires a health insurance issuer, when the issuer is calculating an enrollee's contribution to any applicable cost-sharing requirement, to include any cost-sharing amounts paid by the enrollee or on behalf of the enrollee by another person.

<u>Proposed law</u> retains <u>present law</u> and further requires a health insurance issuer, when calculating an enrollee's contribution to the annual limitation on cost-sharing pursuant to federal law, to include expenditures for any covered item or healthcare service, if the item or healthcare service is included within a category of essential health benefits under federal law and regardless of whether the health insurance issuer or its subcontractors classify the item or service as an essential health benefit.

Effective August 1, 2024.
