## DIGEST

SB 302 Original

## 2024 Regular Session

Cathey

<u>Present law</u> allows local municipal authorities or local parish authorities to install and utilize automated speed enforcement devices to regulate or enforce traffic on any certain roadways.

<u>Proposed law</u> strictly prohibits the issuance of a traffic violation citation if the citation is not issued immediately after being generated by an automated speed enforcement device, mobile speed camera, or video recording equipment and monitor.

<u>Present law</u> allows local municipal authorities or local parish authorities to use mobile speed cameras and red light cameras with required signage to warn motorists that the devices are present.

<u>Proposed law</u> prohibits issuing traffic violations by mail if a law enforcement officer has not lawfully stopped the offender.

Effective upon signature of the governor or lapse of time for gubernatorial action.
