

2024 Regular Session

HOUSE BILL NO. 813

BY REPRESENTATIVE EDMONSTON

DRUGS/PRESCRIPTION: Provides relative to prescribing, administering, and dispensing of drugs for off-label use

1 AN ACT

2 To enact R.S. 37:1704, relative to prescribing, administering, and dispensing of drugs by  
3 certain licensed healthcare professionals; to provide for prescription, administration,  
4 and dispensing of certain drugs for off-label use by healthcare professionals with  
5 prescriptive authority; and to provide for related matters.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. R.S. 37:1704 is hereby enacted to read as follows:

8 §1704. Prescription, administration, and dispensing of FDA-approved drugs for  
9 off-label use

10 A. As used in this Section, the following terms mean:

11 (1) "FDA" means the United States Food and Drug Administration.

12 (2) "Off-label use" means the use of a prescription drug for an indication for  
13 which it has not been approved by the FDA or the use of such drug in an age group,  
14 dosage, or route of administration that has not been approved by the FDA.

15 B. Neither the Louisiana Department of Health nor any licensing board or  
16 commission created by the provisions of this Title shall prohibit or restrict the  
17 prescribing, administering, or dispensing for an off-label use of a drug that has been  
18 approved for a specific use by the FDA.

HB 813 Original

2024 Regular Session

Edmonston

**Abstract:** Provides that neither the La. Dept. of Health nor any healthcare professional licensing board of the state shall prohibit or restrict the prescribing, administering, or dispensing of drugs for off-label use.

Present law provides for licensure and regulation by the state of various types of healthcare professionals.

Proposed law retains present law and stipulates that neither the La. Dept. of Health nor any healthcare professional licensing board or commission shall prohibit or restrict the prescribing, administering, or dispensing for an off-label use a drug that has been approved for a specific use by the U.S. Food and Drug Administration (FDA).

Proposed law defines "off-label use", for purposes of proposed law, as the use of a prescription drug for an indication for which it has not been approved by the FDA or the use of such drug in an age group, dosage, or route of administration that has not been approved by the FDA.

(Adds R.S. 37:1704)
