**Abstract:** Requires copies of records held by a public postsecondary education institution to be furnished without charge to any student media organization affiliated with the institution.

Present law requires the custodian of public records held by a state agency to provide copies of records to persons so requesting, unless the requestor fails to pay the applicable copying fees after being notified of the amount in advance of production or the requestor has an outstanding balance from a prior request.

Proposed law retains present law except to provide that copies of records held by a public postsecondary education institution shall be furnished without charge to any student-produced media outlet affiliated with the institution and funded by fees levied by the institution or by students enrolled at the institution.
