Proposed law provides that an executive committee shall handle the convention's organization, staff, budget, and committees, with the legislature providing funding and the convention being subject to review by the legislative auditor. Proposed law requires the convention, upon completion of its work to submit to the governor the proposed constitution by August 15, 2024.

### EXPENDITURE EXPLANATION

The proposed legislation will result in a significant increase in SGF expenditures, primarily per diem and staffing costs. The cost relative to the expenses of convening a constitutional convention cannot be accurately estimated due to variables such as the number of meeting days, the costs for supplies, materials, equipment, printing, security, compensation for the staff, and all other necessary expenses incurred in connection with the convention and its work. SGF costs are discussed below.

Delegates will receive per diem and travel expenses. The current legislative per diem rate is \$166 and the cost of related benefits (7.65% FICA tax) is approximately \$13 for a daily cost of approximately \$179 or \$25,776 (\$179 X 144 members) per day.

	No. of Delegates x Diem =	Per Costs	Daily x Days =	Total Costs
<i>May 30 – June 2*</i>				
Other delegates	3 x \$179 =	\$4,833	x 3 =	\$14,499
<i>June 3 – August 15</i>				
Legislators	144 x \$179 =	\$25,776	x 73 =	\$1,881,648
Other delegates	27 x \$179 =	\$4,833	x 73 =	<u>\$352,809</u>
Maximum diem costs				\$2,248,956

\*The legislature is anticipated to be in session during this period, so there is no additional per diem costs for legislators.

The Legislative Auditor has indicated the cost of providing an audit of the financial books and records of the constitution convention is estimated to be \$20,000 to \$30,000; however, the actual cost depends on the scope of the audit.

The Secretary of State budgets for statewide primary elections as regular practice and any costs associated with the Nov. 5th election will be absorbed within the agency's budget.
