22 Revision Comments – 2024

23 (a) The actions of the association are intended to follow corporate governance
24 rules, rather than compliance with rules for the imposition of building restrictions in
25 accordance with property law. Matters of routine administration and governance are
26 undertaken by the required vote at a meeting at which a quorum is present. Matters
27 requiring a supermajority vote, such as adding or removing property from the
28 planned community or imposing more burdensome restrictions, are undertaken by
29 a supermajority vote of the total membership of the planned community. The
30 distinction is intentional.

31
32 (b) See R.S. 1:7, which provides that words used in the singular number
33 include the plural.

34
35 (c) In Paragraph (28), housing units owned by spouses, whether pursuant to
36 a community or separate property regime, are considered owned by the same person.

1 §1141.3. Applicability

2 A. The provisions of this Part shall be applicable to existing and future
3 ~~residential~~ planned communities whose declarations have been duly executed and
4 filed for registry. However, this Part shall not be construed to affect the validity or
5 superiority of any provision of a community document **filed for registry prior to**
6 **the effective date of this Act.** ~~Only to the extent the community documents are~~
7 ~~silent shall the provisions of this Part apply.~~

8 B.(1) This Part shall not apply to condominium property governed by the
9 provisions of Part II of this Chapter.

10 (2) The provisions of Part II-A of this Chapter shall be applicable to an
11 ownership timeshare interest created in a lot within a planned community to the
12 extent that those provisions do not conflict with the provisions of this Part.

13 **(3) This Part shall apply to only those associations that are organized for**
14 **planned communities.**

15 C. This Part shall not impair any right that is guaranteed or protected by the
16 constitution of this state or the United States, nor shall this Part be construed to affect
17 any act done, offense or violation committed, or right accrued.

18 D. This Part shall not be construed to impair or cast a cloud upon the titles
19 of common areas or lots within a ~~residential~~ planned community.

20 **E. The existence, validity, or extent of a building restriction affecting any**
21 **association property shall be liberally construed to give effect to its purpose and**
22 **intent.**

23 **F. This Part shall not affect the ownership of common areas or limited**
24 **common areas in a planned community in existence prior to the effective date**
25 **of this Act.**

26 **G. This Part shall not require an association existing prior to the**
27 **effective date of this Act to amend or change its organizational structure or its**
28 **community documents.**

29 **H. Nothing in this Part shall require a planned community in existence**
30 **prior to the effective date of this Act to alter its previously established method**

1 of amending community documents or calculating and voting on assessments.

2 Revision Comments – 2024

3 This Act applies to newly formed planned communities. This Act is not
 4 intended to require existing planned communities to alter their community
 5 documents, their method of preparing budgets, or their method of allocating
 6 assessments. This Act applies to existing planned communities only if, and to the
 7 extent that, their community documents fail to address matters covered by this Act.
 8 Existing planned communities may nevertheless amend their community documents
 9 to conform with the provisions of this Act.

10 SUBPART B. BUILDING RESTRICTIONS CREATION,11 AMENDMENT, AND TERMINATION12 ~~§1141.4. Building restrictions; matters of interpretation~~

13 ~~The existence, validity, or extent of a building restriction affecting any~~
 14 ~~association property shall be liberally construed to give effect to its purpose and~~
 15 ~~intent.~~

16 ~~§1141.5. Building restrictions; generally, affirmative duty, and common areas~~

17 ~~A. Building restrictions affecting the building standards, specified uses, or~~
 18 ~~improvements of association property may be established, amended, or terminated~~
 19 ~~in accordance with the provisions of this Part.~~

20 ~~B. Such building restrictions may include the imposition of an affirmative~~
 21 ~~duty, including the affirmative duty to pay monthly or periodic dues or fees, or~~
 22 ~~assessments for a particular expense or capital improvement, that are reasonable for~~
 23 ~~the maintenance, improvement, or safety, or any combination thereof, of the planned~~
 24 ~~community.~~

25 ~~C. Such building restrictions may also regulate the building standards,~~
 26 ~~specified uses, and improvements of common areas of a homeowners association,~~
 27 ~~including but not limited to the regulation of passage, ingress, and egress upon~~
 28 ~~common areas, streets, and street rights-of-way.~~

29 ~~§1141.6. Establishment, amendment, or termination of building restrictions~~

30 ~~A. Building restrictions affecting association property, including lots or~~
 31 ~~common areas, or those imposing an affirmative duty may be established, amended,~~
 32 ~~or terminated in accordance with the terms of the applicable community document.~~

33 ~~B. In the absence of a provision for the establishment, amendment, or~~

1 termination of such building restrictions in the community documents:

2 (1) Building restrictions may be established by agreement of three-fourths of
3 the lot owners.

4 (2) Existing building restrictions may be made more onerous or increased by
5 agreement of two-thirds of the lot owners.

6 (3) Existing building restrictions may be made less onerous, reduced, or
7 terminated by agreement of more than one-half of the lot owners.

8 C.(1) Once established, or amended to be more onerous, building restrictions
9 become a charge on the property and affect all current owners and, once recorded in
10 the public records, affect all subsequent owners. Except for building restrictions
11 relating to assessments or common areas, no new or more onerous building
12 restriction shall impose a duty on the current owner to act affirmatively or remove
13 or renovate any existing structure. All new or replacement structures, however, shall
14 be subject to the new or more onerous building restriction.

15 (2) Once amended to be less onerous, the building restriction constitutes a
16 reduction of the charge on the property, and once terminated, the property is released
17 of its former charge, affecting all current and subsequent owners.

18 D.(1) When building restrictions are established under the provisions of
19 Subsection B of this Section, rather than by the community documents, an owner
20 may file with the association and the clerk of court a statement declining to be
21 covered by the building restrictions. Such document must be filed within thirty days
22 of the establishment of such building restrictions.

23 (2) When building restrictions relative to set-backs or minimum square
24 footage requirements are established or made more onerous under the provisions of
25 Subsection B of this Section, rather than the community documents, the owner of an
26 unimproved lot is exempt from complying with such new or more onerous
27 restrictions.

28 (3) An "owner" under the provisions of this Subsection means the owner or
29 owners at the time the restriction was established or made more onerous and the
30 waivers of compliance provided in this Subsection are personal to that owner.

1 ~~§1141.7. Agreement of owners; voting~~

2 A. ~~Each lot represents a single vote which can be exercised by the signature~~
 3 ~~or other indication of the registered lot owner or of a single co-owner, the latter of~~
 4 ~~which is presumed to be acting on behalf of the other co-owners. A plot or parcel of~~
 5 ~~unimproved land which is substantially larger than a majority of other lots in the~~
 6 ~~association, however, shall be treated as separate lots, the number of which to be~~
 7 ~~roughly determined by the size of the land in relation to other lots. The ownership~~
 8 ~~interest in common areas, streets, or street rights-of-way does not constitute a voting~~
 9 ~~interest.~~

10 B. ~~For purposes of this Subpart, an agreement of lot owners may be obtained~~
 11 ~~by any of the following methods, or a combination thereof:~~

12 (1) ~~By a written ballot that states the substance of the issue before the owners~~
 13 ~~and specifies the date by which the return ballot must be received to be counted. The~~
 14 ~~ballot shall be accompanied by the full text of the building restriction being~~
 15 ~~established, amended, or terminated and shall be mailed to the owner by certified~~
 16 ~~mail not less than thirty days prior to the date by which the return ballot must be~~
 17 ~~received.~~

18 (2) ~~At a meeting of the owners if written notice of the meeting stating the~~
 19 ~~purpose of the meeting is delivered to each lot owner. The notice shall be~~
 20 ~~accompanied by an agenda of the meeting and the full text of the building restriction~~
 21 ~~being established, amended, or terminated. Such notice shall be mailed to the owner,~~
 22 ~~by certified mail, not less than thirty days prior to the date of the meeting.~~

23 **§1141.4. Creation, alteration, and termination of a planned community**

24 **A. A planned community is established by the execution of a declaration**
 25 **by all owners of the immovable property to be affected or by the lessee in the**
 26 **case of a leasehold planned community. The declaration shall be effective when**
 27 **filed for registry in the conveyance records of each parish in which any portion**
 28 **of the immovable property is situated.**

29 **B. All provisions of the declaration are severable. The effectiveness of the**

1 comply with this Part.

2 C. If a conflict exists between the declaration and any other community
 3 document, the declaration shall prevail.

4 D.(1)(a) The recorder shall index the initial declaration and plat in the

 6 owner of the immovable property subject to the declaration, and the association.

7 (b) The recorder shall index an amendment to the declaration or the plat
 8 or a termination of the declaration in the index of the conveyance records in the

 11 lot, adds additional property, or withdraws a lot from the community, the
 12 recorder shall also index the amendment in the name of each owner of each lot
 13 affected by the amendment.

14 (c) An indexing error shall not impair the effect of recordation of the
 15 document.

 17 registry requirements of law, including filings in accordance with the Uniform
 18 Commercial Code - Secured Transactions.

14 (2) Vary any requirement, procedure, or other provision of this Part
15 pertaining to the mandatory requirements of the declaration in accordance with
16 this Section or the provisions of Subpart D of this Part.

17 §1141.6. Allocation of common expense liabilities, common surpluses, and
18 voting interest in the association

19 A. The declaration shall allocate to each lot a fraction or percentage of
20 the common expense liabilities, common surpluses, and voting interest in the
21 association and shall state the formulas or methods used to establish the
22 allocations.

23 B. If lots may be added to or withdrawn from the planned community,
24 or if boundaries between adjoining lots may be relocated, the declaration shall
25 state the formulas or methods to be used to reallocate the common expense
26 liabilities, common surpluses, and voting interest in the association among all
27 lots included in the planned community after the addition, withdrawal, or
28 relocation.

29 C.(1) The declaration may provide for the following:

30 (a) Different allocations to lots of voting interest on particular matters

1 specified in the declaration.

2 (b) Cumulative voting only for electing directors.

3 (c) Class voting on specified issues affecting the class if necessary to
4 protect valid interests of the class.

5 (2) A declarant may not utilize cumulative or class voting to avoid any
6 limitation imposed on declarants by this Part, nor may lots constitute a class
7 because they are owned by a declarant.

8 D. Except for minor variations due to rounding, the sum of the common
9 expense liabilities, common surpluses, or voting interest in the association
10 allocated at any time to all of the lots shall equal one if stated as a fraction or
11 one hundred percent if stated as a percentage.

12 E. The transfer, encumbrance, judicial sale, or other voluntary or
13 involuntary transfer of an ownership interest in a lot includes membership in
14 the association and any other rights in the association appurtenant to that lot.

15 F. Nothing in this Section shall require a planned community in existence
16 prior to the effective date of this Act to amend its method of calculating or
17 allocating assessments.

18 §1141.7. Exercise of development rights

19 A. To exercise any development right reserved in R.S. 9:1141.5(A)(7), the
20 declarant shall prepare, execute, and file for registry an amendment to the
21 declaration in accordance with R.S. 9:1141.4(D). The amendment to the
22 declaration shall assign an identifying number to each new lot created, and,
23 except in the case of subdivision or conversion of lots described in Subsection
24 D of this Section, reallocate the common expense liabilities, common surpluses,
25 and voting interest in the association among all lots. The amendment shall
26 describe any common areas and any limited common areas created and, in the
27 case of limited common areas, designate the lots by letter, name, or number, or
28 a combination thereof to which each is appurtenant.

29 B. Development rights may be reserved within any immovable property
30 added to the planned community if the amendment adding that immovable

1 property includes or incorporates by reference all matters required by R.S.
2 9:1141.5.

3 C. Development rights to add additional immovable property may be
4 exercised only within seven years after the date of the filing of the initial
5 declaration. The submission of an application for approval of a plat of
6 subdivision pursuant to R.S. 33:113 shall suspend the running of the seven-year
7 period, except that the suspension is considered never to have occurred if the
8 application is denied and any appeal period has expired, or if the declarant
9 voluntarily withdraws or abandons the application or a plat of subdivision that
10 is the subject of the application prior to filing the plat for registry. If a plat is
11 approved, the seven-year period shall be interrupted and shall commence to run
12 anew on the date on which the plat of subdivision is filed for registry. This
13 Section does not extend the term for the exercise of development rights imposed
14 by the declaration pursuant to R.S. 9:1141.5(A)(7).

15 D. When a declarant exercises a development right to subdivide or
16 convert a lot previously created into additional lots, common areas, limited
17 common areas, or any combination thereof, the following apply:

18 (1) If the declarant converts the lot entirely to a common area or limited
19 common area, the amendment to the declaration shall reallocate all of the
20 common expense liabilities, common surpluses, and voting interest in the
21 association of that lot among the other lots by the same method provided in R.S.
22 9:1141.6, or as otherwise provided in the community documents.

23 (2) If the declarant subdivides the lot into two or more lots or if the
24 declarant combines two or more lots into a single lot, regardless of whether any
25 part of the lot is converted into a common area or a limited common area, the
26 amendment to the declaration shall reallocate all of the common expense
27 liabilities, common surpluses, and voting interest in the association of the lot
28 among the lots created by the subdivision in the manner prescribed in the
29 declaration.

30 E. If, pursuant to R.S. 9:1141.5(A)(7), the declaration provides that all

1 or any portion of the immovable property within the planned community is
 2 subject to a right of withdrawal by the declarant, none of the immovable
 3 property may be withdrawn after a lot has been transferred to an unrelated
 4 purchaser except upon a supermajority vote of the association. A declarant may
 5 not withdraw all or any portion of immovable property that has been
 6 transferred to the association.

7 Revision Comments – 2024

8 If the association owns the immovable property sought to be withdrawn, R.S.
 9 9:1141.15 applies.

10 **§1141.8. Limited common areas**

11 **A. The declaration shall specify to which lot each limited common area**
 12 **is allocated. An allocation may not be altered without the consent of all of the**
 13 **lot owners whose lots are directly affected.**

14 **B. A limited common area may be reallocated upon request to the board**
 15 **of directors by all of the lot owners between or among whose lots the**
 16 **reallocation is to be made. When a request is made, an amendment to the**
 17 **declaration containing the name of the requesting lot owners shall be executed**
 18 **by an authorized officer or agent of the association and shall be filed for registry**
 19 **in accordance with R.S. 9:1141.4(D). Any expenses incurred by the association**
 20 **in accordance with this Section shall be borne by the requesting lot owners.**

21 **§1141.9. Plats**

22 **A. Each plat shall be clear and legible and shall show all of the following:**

23 **(1) The name and a survey of the entire planned community, including**
 24 **the designation of all lots, commons areas, and limited common areas.**

25 **(2) The extent of any encroachments by or upon any portion of the**
 26 **planned community.**

27 **(3) A depiction of all servitudes benefiting or burdening any portion of**
 28 **the planned community, to the extent plottable.**

29 **(4) In the case of a leasehold planned community, a complete property**
 30 **description of all immovable property subject to a lease.**

1 §1141.11. Subdivision of lots

2 A. A lot may be subdivided into two or more lots upon the request of the
3 lot owner and with the approval of a supermajority vote.

4 B. Upon approval of the subdivision, an amendment to the declaration
5 shall include the plat subdividing that lot; assign an identifying letter, name, or
6 number to each lot created; and reallocate to each lot created, in any reasonable
7 manner prescribed by the association or on any other basis the declaration
8 requires, the common expense liabilities, common surpluses, and voting interest
9 in the association formerly allocated to the subdivided lot.

10 C. The amendment to the declaration shall be executed by an authorized
11 officer or agent of the association and filed for registry in accordance with R.S.
12 9:1141.4(D). Any expenses incurred by the association in accordance with this
13 Section shall be borne by the requesting lot owner.

14 §1141.12. Use for sales purposes

15 Subject to other provisions of law and local ordinances, a declarant may
16 maintain sales offices, management offices, and models on lots that the
17 declarant owns and may erect signs advertising the planned community on the
18 common areas.

19 §1141.13. Servitude and use rights

20 A. A declarant has a personal servitude of right of use on and through
21 the common areas as may be reasonably necessary for the purpose of
22 discharging obligations or exercising special declarant rights, whether in
23 accordance with this Part or reserved in the declaration.

24 B. Lot owners have a right to use, for the purposes for which they were
25 intended, all common areas and all immovable property that shall become
26 common areas, other than limited common areas.

27 §1141.14. Amendment to declaration; community documents; use restrictions

28 A. Except as otherwise provided in this Section or R.S. 9:1141.7, the
29 declaration may be amended only by the vote requirement provided in the
30 declaration. If a voting requirement is not provided in the declaration, the

1 declaration may be amended by a majority vote, except as required in
2 Subsection B or C of this Section.

3 B. Approval by a supermajority vote is required to amend the
4 declaration to create or increase special declarant rights; increase the number
5 of lots not otherwise reserved or permitted by the community documents;
6 change the allocation of common expense liabilities, common surpluses, or
7 voting interest in the association for a lot; extend the time limitations specified
8 in R.S. 9:1141.7(C); or create additional development rights.

9 C.(1) The declaration may be amended only by a supermajority vote, or
10 any greater vote required by the community documents, to do any of the
11 following:

12 (a) Prohibit or materially restrict the uses of a lot or the number or other
13 qualifications of persons who may occupy a lot.

14 (b) Impose more burdensome restrictions, except as provided in
15 Paragraph (6) of this Subsection.

16 (2) An existing occupancy or use of a lot shall not be prohibited by an
17 amendment to the community documents if that occupancy or use has
18 commenced prior to the filing of the amendment for registry, except as provided
19 in Paragraph (3) of this Subsection.

20 (3) If an existing occupancy or use has ceased for twelve consecutive
21 months after the date the amendment is filed for registry, and the period is not
22 extended as provided in Paragraph (4) of this Subsection, the lot shall become
23 subject to the prohibition on the existing occupancy or use contained in the
24 amended declaration.

25 (4) A lot owner may submit a request to the board of directors to extend
26 the time period in Paragraph (3) of this Subsection when an existing occupancy
27 or use is discontinued due to a fortuitous event. The board of directors shall
28 grant or deny the request using reasonable discretion.

29 (5) A use restriction establishing or increasing the minimum term for the
30 lease of a lot or prohibiting the rental of less than the entirety of the lot shall be

1 considered a more burdensome restriction.

2 (6) Unless a greater percentage is required in the community documents,
3 an association may adopt by two-thirds vote more burdensome restrictions
4 governing construction, design criteria, and aesthetic standards, subject to the
5 following limitations:

6 (a) No more burdensome restriction governing construction, design
7 criteria, aesthetic standards, set backs, or square footage requirements shall
8 impose a duty on a lot owner to act affirmatively or remove or renovate any
9 existing improvements, but more burdensome standards shall apply to new
10 exterior renovations, repairs, or reconstructions as provided in Subparagraph
11 (b) of this Paragraph.

12 (b) Only those new exterior renovations, repairs, or reconstructions that
13 increase the value of the improvements on the lot by more than forty percent
14 are required to comply with the more burdensome construction, design criteria,
15 and aesthetic standards. Unless the lot owner agrees in writing to comply with
16 the more burdensome standards, the lot owner shall submit to the association,
17 prior to the start of renovation, repair, or reconstruction, an estimate of the
18 increase in value of the improvements as determined by a qualified appraiser.

19 D. A provision in the declaration modifying special declarant rights that
20 have not expired may not be amended without the consent of the declarant.

21 E. If any provision of the declaration requires the consent of a holder of
22 a security right in a lot as a condition to the effectiveness of an amendment to
23 the declaration, and the declaration does not otherwise provide the method for
24 obtaining consent, consent is deemed granted if a record refusing consent is not
25 received by the association within sixty days after the association delivers notice
26 of the proposed amendment to the holder of the security right at an address for
27 notice provided by the holder. If the holder of the security right has not
28 provided to the association an address for notice, the association shall provide
29 notice to the address of the holder stated in the recorded security right.

30 F. Amendments to the declaration adopted pursuant to this Section shall

1 be prepared, executed, and filed for registry on behalf of the association by an
 2 authorized officer or agent of the association in accordance with R.S.
 3 9:1141.4(D). Any amendment shall contain a certification that the minimum
 4 voting requirements have been met.

5 G. An action to challenge the validity of an amendment adopted in
 6 accordance with this Section shall be brought within a preemptive period of one
 7 year from the date the amendment is filed for registry.

8 Revision Comments – 2024

9 This Act seeks to protect purchasers who acquired a lot in reliance on the
 10 community documents in effect at the time of acquisition of the lot, provided an
 11 active use has been made of the lot. A lot purchaser is required to comply with
 12 amendments to the community documents if an active use has not commenced, or
 13 if a previously active use has ceased for twelve months, subject to the rules of
 14 fortuitous events.

15 §1141.15. Termination of the planned community

16 A. A planned community may be terminated only by a two-thirds vote,
 17 or any greater percentage that the declaration specifies, and with any other
 18 approvals required by the declaration.

19 B. A termination agreement shall be prepared and executed on behalf of
 20 the association by an authorized officer or agent of the association and filed for
 21 registry in accordance with R.S. 9:1141.4(D). A termination agreement shall
 22 contain a certification that the minimum voting requirements have been met.

23 C. If a termination agreement provides for the transfer of ownership of
 24 all or a portion of the common areas and limited common areas, the association,
 25 on behalf of the lot owners, may contract for the transfer of ownership of
 26 common areas and limited common areas, but the contract is not binding on the
 27 lot owners until the termination agreement is approved and filed for registry
 28 pursuant to this Section. As long as the association owns the common areas and
 29 limited common areas, the lot owners and their successors continue to have the
 30 right to use and enjoy the areas in accordance with their intended purpose and
 31 remain liable for all assessments and other obligations imposed on lot owners
 32 by this Part or the declaration.

1 proceeds to make necessary repairs as a result of a casualty.

2 B. A lender who has extended credit to an association secured by a
3 security right to the income of the association or a security right in the common
4 areas or limited common areas may enforce the security right in accordance
5 with its terms, subject to the requirements of this Part or other provisions of
6 law. Requirements that the association deposit with the lender the association's
7 periodic income in which the lender holds a security right do not violate
8 Subsection A of this Section.

9 C. If approved by an association in accordance with R.S. 9:1141.28, the
10 holder of a security right may require that assessments shall not be decreased
11 without its approval.

12 §1141.17. Master associations

13 A. If any of the powers in R.S. 9:1141.20 are to be exercised by or
14 delegated to a corporation that exercises powers on behalf of planned
15 communities or for the benefit of the lot owners, all provisions of this Part
16 applicable to lot owners' associations shall apply to the corporation, except as
17 provided by this Section.

18 B. Unless it is acting in the capacity of an association as provided in R.S.
19 9:1141.19, a master association may exercise the powers provided in R.S.
20 9:1141.20(A)(2) only to the extent expressly permitted in the declaration of the
21 planned community that is part of the master association or expressly described
22 in the delegation of power to the master association.

23 C. If the declaration of any planned community provides that the board
24 of directors may delegate powers to a master association, the directors have no
25 liability for the acts or omissions of the master association following delegation.

26 D. The rights and responsibilities of lot owners with respect to the
27 association as provided in R.S. 9:1141.21, 1141.26, 1141.27, 1141.28, and 1141.29
28 apply in the conduct of the affairs of a master association only to those persons
29 who elect the board of directors of a master association, regardless of whether
30 those persons are otherwise lot owners.

1 **E. Even if a master association is also an association as provided in R.S.**
2 **9:1141.19, the articles of incorporation or other instrument creating the master**
3 **association and the declaration of each planned community, the powers of**
4 **which are assigned by the declaration or delegated to the master association,**

10 **association may elect all directors of the master association.**

11 **(3) All lot owners of each planned community subject to the master**
12 **association may elect specified directors of the master association.**

13 **(4) All directors of each planned community subject to the master**
14 **association may elect specified directors of the master association.**

15 **§1141.18. Combining planned communities**

16 **A. Any two or more planned communities may be combined into a single**
17 **planned community upon approval by the lot owners in each planned**
18 **community by the same vote required to terminate that planned community. If**
19 **the planned communities to be combined are managed by more than one**
20 **association, the associations shall be combined into one association in**
21 **accordance with the applicable provisions of law.**

22 **B. The agreement to combine shall not be effective until it is filed for**
23 **registry in accordance with R.S. 9:1141.4(D) in every parish in which a portion**
24 **of the combined planned community is situated and, if associations are**
25 **combining, until the articles of merger or consolidation of the associations are**
26 **filed with the secretary of state.**

27 **C. Every agreement to combine shall provide for the reallocation of**
28 **common expense liabilities, common surpluses, and voting interest to each lot**
29 **by either stating the reallocations or the formulas upon which they are based**
30 **or stating the percentage allocated to all of the lots comprising each of the**

1 **preexisting planned communities.**

 3 **COMMUNITY**

4 ~~§1141.8. Community documents; force of law~~

5 The community documents of residential planned communities shall have the
 6 force of law between the homeowners association and the individual lot owners and
 7 as between individual lot owners. The remedies for breach of any obligation imposed
 8 on lot owners or the association shall include damages, injunctions, or such other
 9 remedies as are provided by law.

10 ~~§1141.9. Homeowners association privilege~~

11 In addition to any other remedies provided by law or by the community
 12 documents for nonpayment of assessments, a homeowners association as defined in
 13 this Part may utilize the provisions of Part III of this Chapter establishing a privilege
 14 on lots of delinquent owners for nonpayment of assessments.

 21 **accordance with R.S. 9:1141.15 or their heirs, successors, or assigns. The**
 22 **association shall have a board of directors. The association shall be formed**

3 association a lease or other occupancy agreement containing mandatory
4 language for the benefit of the association. Any occupant who fails to comply
5 with the provisions of this Subsection may be denied access to a lot.

6 C. If an occupant violates the provisions of the community documents,
7 the association may, in addition to exercising any of its powers against the lot
8 owner, enforce against the occupant mandatory provisions required to be
9 contained in the lease or other occupancy agreement.

10 D. The association may determine whether to take enforcement action
11 by imposing sanctions or commencing an action for a violation of the provisions
12 of the community documents, including whether to compromise any claim for
13 unpaid assessments or other claim made by or against the association or to seek
14 eviction consistent with Part III of this Chapter.

15 E. The association has discretion in pursuing or declining enforcement
16 depending on each set of circumstances.

17 F. The association shall not be arbitrary or capricious in its decision to
18 pursue or decline enforcement in accordance with Subsections D and E of this
19 Section.

20 G. The board of directors shall establish a reasonable method for lot
21 owners and occupants to communicate, which may include by electronic

26 §1141.21. Board of directors and officers of the association

27 A. The board of directors shall consist of at least three natural persons,
28 each of whom shall be a lot owner or a representative of a lot owner if the lot is
29 owned by a juridical person. If the planned community consists of fewer than
30 three lots, the board of directors shall consist of the same number of persons as

1 there are lots. Except as otherwise provided in R.S. 9:1141.17(E), a special
2 meeting of the association shall be held for the purpose of electing the board of
3 directors at least thirty days prior to the termination of the period of declarant
4 control. The meeting notice shall be given, in accordance with R.S. 9:1141.38,
5 no more than sixty days and no fewer than thirty days before the date of the

7 §1141.22. Declarant control of the association

8 A. The declaration may provide for a period of declarant control of the
9 association, during which a declarant, or persons designated by the declarant,
10 may appoint and remove the officers and directors. A declarant may voluntarily
11 surrender the right to appoint and remove officers and directors before the
12 period ends. In that event, the declarant may require, during the remainder of
13 the period, that specified actions of the association or board of directors as
14 described in a recorded instrument executed by the declarant be approved by
15 the declarant before becoming effective.

16 B. Regardless of the period provided in the declaration, a period of
17 declarant control terminates as follows:

18 (1) If the right to add additional immovable property to the planned
19 community was not reserved in the declaration, one hundred twenty days after
20 the date that seventy-five percent of the total number of lots in the planned
21 community are transferred to unrelated purchasers.

22 (2) If the right to add additional immovable property to the planned
23 community was reserved in the declaration, upon the expiration of the time
24 period provided in R.S. 9:1141.7(C), as that period may be extended by the
25 declarant's timely exercise of the right to add additional immovable property.

26 C. Notwithstanding the provisions of this Section, in no event shall the
27 period of declarant control of a master association terminate until all periods
28 of declarant control for all planned communities subject to the master
29 association have terminated.

30 §1141.23. Transfer of special declarant rights

1 A. Special declarant rights may be transferred only by an instrument
2 evidencing the transfer recorded in every parish in which any portion of the
3 planned community is situated. Upon transfer of special declarant rights, the
4 transferor is not relieved of any obligation or liability arising before the
5 transfer. A transferor has no liability for any act or omission of, or any breach
6 of a contractual obligation arising from the exercise of a special declarant right
7 by, a successor declarant.

8 B. In the event of partial transfer of special declarant rights, except in
9 the event of a collateral assignment pursuant to the granting of a security
10 interest, those special declarant rights not transferred terminate on the effective
11 date of the transfer. The transferee of partial rights is responsible for only those
12 obligations related to the special declarant rights that are transferred. A
13 collateral assignment pursuant to the granting of a security interest is not a
14 transfer until the secured party exercises its right to seize the rights in
15 accordance with law.

16 C. A person who succeeds to special declarant rights is subject to the
17 obligations and liabilities imposed by this Part or the community documents
18 with respect to those special declarant rights transferred, except for any of the
19 following:

20 (1) Misrepresentations by a previous declarant.

21 (2) Breach of any fiduciary obligation owed to the board of directors by
22 a previous declarant or his appointees.

23 (3) Any liability or obligation imposed on the transferor as a result of his
24 acts or omissions after the transfer.

25 D. Nothing in this Section subjects any successor to a special declarant
26 right to any claims against or other obligations of a transferor declarant, other
27 than claims and obligations in accordance with this Part or the community
28 documents.

29 §1141.24. Termination of contracts

30 A. During the first two years after the board of directors elected by the

1 lot owners pursuant to R.S. 9:1141.22(C) takes office, the following contracts
 2 entered into by the association may be terminated without penalty, provided
 3 that at least ninety days' notice is given to the other party and the contract was
 4 entered into before the board of directors took office:

5 (1) Any management, maintenance, or employment contract.

6 (2) Any other contract with the declarant or an affiliate of the declarant
 7 that is unconscionable to the lot owners at the time the contract was entered
 8 into.

9 B. The provisions of this Section do not apply to a lease that, if
 10 terminated, would terminate the planned community or reduce its size.

11 C. Nothing in this Section shall impair the ability of the association to
 12 rescind or annul a contract in accordance with other provisions of law.

13 §1141.25. Bylaws

14 A. The bylaws of the association shall provide for all of the following:

15 (1) The number of members of the board of directors.

16 (2) The method of electing a president, treasurer, secretary, and any
 17 other officers specified.

18 (3) The qualifications, powers and duties, terms of office, and manner of
 19 electing and removing directors and officers and filling vacancies.

20 (4) The powers that the board of directors or officers may delegate to
 21 other persons or to a managing agent.

22 (5) The officers who may prepare, execute, certify, and record
 23 amendments to the community documents on behalf of the association.

24 (6) Any provision necessary to satisfy requirements in this Part or the
 25 community documents concerning meetings, voting, quorums, and other
 26 activities of the association.

27 B. The bylaws may provide for any other necessary or appropriate
 28 matters, including matters that may be adopted as rules, relative to managing
 29 the business and regulating the affairs of the association and the planned
 30 community.

1 **§1141.26. Meetings**

2 **A. The following requirements apply to association meetings:**

3 **(1) The association shall hold an annual meeting in accordance with the**
4 **bylaws. In the absence of a provision in the bylaws, an annual meeting shall be**
5 **held upon the giving of not more than sixty days' nor less than thirty days'**
6 **notice in accordance with R.S. 9:1141.38.**

7 **(2) The association shall hold a special meeting to address any matter**
8 **affecting the planned community or the association if its president, a majority**
9 **of the board of directors, or lot owners having at least twenty percent, or any**
10 **lower percentage specified in the bylaws, of the voting interest in the association**
11 **demand that the secretary call a meeting. The secretary shall call the meeting**
12 **within thirty days after receiving notice of the lot owners' demand. Only**
13 **matters described in the meeting notice required by Paragraph (3) of this**
14 **Subsection shall be considered at a special meeting.**

15 **(3) The association shall notify lot owners of the time, date, and place of**
16 **each annual and special meeting not more than sixty days nor fewer than thirty**
17 **days before the meeting date. Notice may be given by any means provided in**
18 **R.S. 9:1141.38. The notice shall state the items on the agenda, including the**
19 **following:**

20 **(a) The general nature and text of any proposed amendment to the**
21 **community documents.**

22 **(b) Any budget changes.**

23 **(c) Any proposal to remove a director or an officer elected by the**
24 **association.**

25 **(4) The minimum amount of time in which notice shall be given in**
26 **accordance with Paragraph (3) of this Subsection may be reduced or waived by**
27 **the board of directors for a meeting called to address an emergency.**

28 **(5) At the meeting, lot owners shall be given a reasonable opportunity to**
29 **comment regarding any matter affecting the planned community or the**
30 **association.**

1 (6) The community documents may allow for meetings of the association
 2 to be conducted by electronic means if the meeting notice states the electronic
 3 means to be used.

4 (7) Meetings of the association shall take place at the planned community
 5 or at a place convenient to it.

6 (8) Except as otherwise provided in the community documents, all
 7 meetings of the association shall be conducted in accordance with the most
 8 recent edition of Robert's Rules of Order.

9 B. The following requirements apply to meetings of the board of
 10 directors and committees of the association authorized to act for the association:

11 (1) Meetings shall be open to the lot owners except during executive
 12 sessions. The board of directors and committees may hold an executive session
 13 only during a regular or special meeting of the board or committee. No final
 14 vote or action shall be taken during an executive session. An executive session
 15 shall be held only to do the following:

16 (a) Consult with an attorney concerning legal matters.

17 (b) Discuss existing or potential litigation, mediation, arbitration, or
 18 administrative proceedings.

19 (c) Discuss labor or personnel matters.

20 (d) Discuss contracts, leases, and other commercial transactions to
 21 purchase or provide goods or services currently being negotiated, including the
 22 review of bids or proposals, if premature general knowledge of those matters
 23 would place the association at a disadvantage.

24 (e) Prevent public knowledge of a matter if the board of directors or
 25 committee determines that public knowledge would violate the privacy of any
 26 person.

27 (2) For purposes of this Section, a gathering of the board of directors at
 28 which the directors do not conduct association business is not a meeting of the
 29 board. The board of directors shall not use incidental or social gatherings or
 30 any other method to evade the open meeting requirements of this Section.

1 **(3) During the period of declarant control, the board of directors shall**
2 **meet at least two times per year. At least one of those meetings shall be held at**
3 **the planned community or at a place convenient to it.**

4 **(4) The board of directors shall establish procedural rules to permit**
5 **participation by a lot owner in the event that the lot owner is directly impacted**
6 **by an agenda item or is requested to attend by the board of directors.**

7 **(5) Unless the meeting is included in a schedule previously provided to**
8 **the lot owners or the meeting is called to address an emergency, the secretary**
9 **or other officer specified in the bylaws shall give notice of each board of**
10 **directors meeting to each director and to the lot owners. The notice shall be**
11 **given at least thirty days before the meeting and shall state the time, date, place,**
12 **and agenda of the meeting.**

13 **(6) If any materials are distributed to the board of directors before the**
14 **meeting, copies of those materials shall be reasonably available to lot owners,**
15 **including by posting on the association's website, except that the board need not**
16 **make available copies of unapproved minutes or materials that are to be**
17 **considered in executive session.**

18 **(7) The board of directors may meet by electronic means if the meeting**
19 **notice states the electronic means to be used.**

20 **(8) Except as provided in Paragraph (3) of this Subsection, in lieu of**
21 **meeting, the board of directors may act by unanimous consent as documented**
22 **in a record signed by all directors. The secretary shall promptly give notice to**
23 **all lot owners of any action taken by unanimous consent. After termination of**
24 **the period of declarant control, the board of directors may act by unanimous**
25 **consent only to undertake ministerial actions or to implement actions previously**
26 **taken at a board meeting.**

27 **(9) All actions taken by the board of directors that do not comply with**
28 **this Section are nevertheless deemed valid unless and until set aside by a court.**
29 **A challenge to the validity of an action of the board of directors for failure to**
30 **comply with this Section shall not be brought more than sixty days after the**

1 minutes of the meeting at which the action was taken are approved or notice of
2 that action is provided to lot owners, whichever is later.

3 (10) Except as otherwise provided in the community documents, all
4 meetings of the board of directors and the committees of the association shall
5 be conducted in accordance with the most recent edition of Robert's Rules of
6 Order.

7 §1141.27. Quorum

8 A. Unless the bylaws provide otherwise, a quorum is present throughout
9 any meeting of the association if lot owners holding twenty percent of the voting
10 interest in the association are present in person or by proxy at the beginning of
11 the meeting, have cast absentee ballots that were solicited in accordance with
12 R.S. 9:1141.28(D)(3) and delivered to the secretary in a timely manner, or are
13 present by any combination thereof.

14 B. Voting interest allocated to lots owned by the association shall be
15 counted toward a quorum.

16 C. Unless this Part or the community documents specify a greater
17 number, a quorum of the board of directors is present for purposes of
18 determining the validity of any action taken at a meeting if individuals entitled
19 to cast a majority of the votes on that board are present at the time a vote
20 regarding that action is taken. If a quorum is present when a vote is taken, the
21 affirmative vote of a majority of the directors present is the act of the board of
22 directors unless a greater vote is required by this Part or the community
23 documents.

24 D. Notwithstanding any other Subsection of this Section and provided
25 that notice is given as required by R.S. 9:1141.38, in the event of an emergency,
26 a quorum is present if lot owners holding at least ten percent of the voting
27 interest are present in person, by proxy, or by electronic means.

28 §1141.28. Voting; proxies; ballots

29 A. Directors may not vote by proxy at any meeting of the board of
30 directors or at any committee thereof.

1 B. Lot owners may vote at a meeting of the association in person, by
2 absentee ballot, by proxy or, when a vote is conducted without a meeting, by
3 electronic transmission or paper ballot.

4 C. The voting interest allocated to lots owned by the association shall be
5 cast in the same proportion as the votes cast on the matter by lot owners other
6 than the association.

7 D. At a meeting of the association at which a quorum is present, the
8 following requirements apply:

9 (1) Lot owners who are present may cast a vote in person by voice, show
10 of hands, standing, or any other method for determining votes, as designated by
11 the association.

12 (2) Unless a greater number of the votes in the association is required,
13 a majority of the voting interest cast is required for the approval of any action
14 of the association.

15 (3) A lot owner may vote by absentee ballot without being present at the
16 meeting. The association shall promptly deliver an absentee ballot to a lot owner
17 upon request made at least three days before the scheduled meeting.

18 (4) Except as provided in Subsection E of this Section, if the name signed
19 on a vote, consent, waiver, ballot, or proxy appointment corresponds to the
20 name of a lot owner as indicated in the records of the association, the
21 association, if acting in good faith, is entitled to accept the vote, consent, waiver,
22 ballot, or proxy appointment and give it full effect as the act of the lot owner.

23 E. If only one of several owners of a lot owned in indivision votes, that lot
24 owner has the right to cast the voting interest allocated to that lot. If more than
25 one of the lot owners vote, the voting interest allocated to that lot shall be cast
26 only in accordance with the agreement of a majority in interest of the lot
27 owners. There is agreement of a majority in interest if any one of the lot owners
28 casts the voting interest allocated to the lot without any of the other lot owners
29 promptly protesting to the association. In the event that there is disagreement
30 among the owners of a lot as to their interests, the association, acting in good

1 faith, is entitled to rely upon what is evidenced in its records as to that lot. In the
2 event that the records do not indicate the allocation of interests in a lot, the
3 association is entitled to treat the multiple lot owners as having equal shares. If
4 a lot or an undivided interest in a lot is subject to a usufruct, the usufructuary
5 shall be deemed the owner of that lot or the undivided interest of the lot for
6 purposes of this Section.

7 F. The following requirements apply to proxy voting:

8 (1) A lot owner may appoint a proxy to vote or otherwise act by signing
9 a written appointment or by making an electronic transmission. An electronic
10 transmission shall contain or be accompanied by information from which it can
11 be determined that the lot owner authorized the transmission.

12 (2) The appointment of a proxy is effective when a signed written
13 appointment or an electronic transmission of the appointment is received by the
14 officer or agent of the association authorized to tabulate votes. A proxy is valid
15 only for the meeting for which it is cast and any recessed session of that meeting
16 and is subject to any limitation contained therein.

17 (3) The appointment of a proxy is revocable.

18 (4) The revocation of a proxy appointment, the death of the lot owner,
19 or the appointment of a curator for the lot owner appointing a proxy does not
20 affect the right of the association to accept the proxy's authority unless notice
21 of the revocation, death, or appointment of a curator is received by the officer
22 or agent authorized to tabulate votes before the proxy exercises authority
23 pursuant to the appointment.

24 G. Unless prohibited or limited by the community documents, when an
25 association conducts a vote without a meeting, the following requirements
26 apply:

27 (1) The association shall notify the lot owners that the vote will be taken
28 by ballot.

29 (2) The association shall deliver a paper or electronic ballot in
30 accordance with R.S. 9:1141.38.

1 (3) The ballot shall set forth each proposed action and provide an
2 opportunity to vote for or against each action.

3 (4) The ballot shall also contain all of the following:

4 (a) The number of responses needed to meet the quorum requirements.

5 (b) The voting interest necessary to approve each matter other than the
6 election of directors.

7 (c) The time and date by which a ballot shall be delivered to the
8 association to be counted, which shall be no fewer than seven days after the date
9 the association delivers the ballot.

10 (5) After delivery to the association, a ballot is not invalidated by death,
11 disability, or attempted revocation by the person who cast the ballot.

12 (6) A vote conducted pursuant to this Subsection is valid only if the
13 number of votes cast on an item equals or exceeds the requirement to authorize
14 each proposed action.

15 H. If the declaration requires that votes on specified matters affecting the
16 planned community be cast by lessees of leased lots rather than by lot owners,
17 this Section applies to lessees as if they were lot owners. Lot owners who lease
18 their lots to other persons may not cast votes on those specified matters.

19 §1141.29. Transfer or encumbrance of common areas or right to income

20 A. All or portions of the common areas may be transferred or subjected
21 to a security right by a two-thirds vote or such greater vote required by the
22 declaration. Any limited common area may be transferred or subjected to a
23 security right with the consent of all owners of lots to which any limited
24 common area is allocated. Nevertheless, if all of the lots in a planned community
25 are restricted exclusively to nonresidential uses, the declaration may provide
26 that all or portions of the common areas may be transferred or subjected to a
27 security right by a vote that is less than two-thirds or that limited common areas
28 may be transferred or subjected to a security right upon the consent of fewer
29 than all the owners of lots to which the limited common area is allocated.

30 B. An agreement to transfer common areas or limited common areas or

1 to subject them to a security right shall be prepared and executed by an
2 authorized officer or agent of the association and shall contain a certification
3 that the minimum voting requirements have been met. The agreement, and all
4 ratifications thereof, shall be filed for registry in accordance with R.S.
5 9:1141.4(D) and is effective only upon registry. An agreement subjecting
6 property of the association to a security right shall be created and made
7 effective against third persons as required by law.

8 C. The association, on behalf of the lot owners, may contract to transfer
9 or encumber a right in a planned community, or to grant a security right in the
10 association's right to receive assessments or other income, but the contract is
11 not enforceable against the association until approved pursuant to Subsections
12 A and B of this Section. Thereafter, the association has all powers necessary and
13 appropriate to effect the transfer or encumbrance.

14 D. Unless the security right is effective and filed for registry prior to the
15 filing of the declaration, neither the transfer or encumbrance of any portion of
16 a common area, nor the foreclosure upon such an encumbrance, shall release
17 that common area from the burdens and restrictions imposed by the
18 declaration. Subject to the rights of a holder of a security right in a common
19 area, proceeds from the sale of the common areas are an asset of the association,
20 but the proceeds from the sale of limited common areas shall be distributed
21 equitably among the owners of the lots to which the limited common areas were
22 allocated. If any common areas are transferred to a creditor pursuant to a
23 giving in payment in accordance with Civil Code Article 2655, the transferee
24 acquires the common areas subject to the burdens and restrictions imposed by
25 the declaration.

26 E. Proceeds of loans made to the association shall be used only for the
27 purposes approved by the association.

28 §1141.30. Insurance

29 A. Commencing not later than the time of the first transfer of a lot to an
30 unrelated purchaser, the association shall maintain, to the extent reasonably

1 available and subject to reasonable deductibles, commercial general liability
2 insurance, in an amount determined by the board of directors, but not less than
3 any amount specified in the declaration, covering all occurrences commonly
4 insured against for bodily injury, death, and property damage arising out of or
5 in connection with the use, ownership, or maintenance of the common areas.
6 The declaration may require the association to carry any other insurance, and
7 the association may carry any other insurance it considers appropriate to
8 protect the association or the lot owners.

9 B. If the insurance required in Subsection A of this Section is not
10 reasonably available, the association shall promptly notify all lot owners.

11 C. The issuance of an insurance policy to the association does not prevent
12 a lot owner from obtaining insurance for the lot owner's own benefit.

13 §1141.31. Surplus funds

14 Any surplus funds of the association remaining after payment of or
15 provision for common expenses and any prepayment of reserves shall be paid
16 annually to the lot owners in proportion to their common expense liabilities or
17 credited to the lot owners to reduce their future common expense assessments.

18 §1141.32. Assessments

19 A. Until the association authorizes an assessment, the declarant shall pay
20 all common expenses. After the initial assessment has been made by the
21 association, assessments shall be made at least annually, based on a budget
22 adopted by the association. The association shall not incur expenses except for
23 the benefit of the planned community.

24 B. Except for assessments made in accordance with Subsection C, D, or
25 E of this Section or as otherwise provided in this Part, all common expenses
26 shall be assessed against all of the lots in accordance with the allocations set
27 forth in the declaration pursuant to R.S. 9:1141.6. The owner of a lot shall be
28 personally liable for the payment of all assessments levied against the lot during
29 the period of his ownership. The association may charge late fees and interest
30 on any past due assessment or portion thereof at the rate established by the

1 association, which shall not exceed the rate established in Part III of this
2 Chapter.

3 C. If the lot owner fails to timely pay the assessments for common areas
4 for a period of three months or more during any eight-month period after the
5 association has provided notice of delinquency, the association may accelerate
6 the assessment on the common areas for a twelve-month period and file a
7 statement of privilege for the accelerated sums. The preservation and
8 enforcement of the privilege shall be governed by Part III of this Chapter.

9 D. To the extent required by the declaration:

10 (1) A common expense associated with the maintenance, repair, or
11 replacement of a limited common area shall be assessed against the lots to which
12 that limited common area is allocated equally or in any other proportion the
13 declaration provides.

14 (2) A common expense benefiting fewer than all of the lots or their
15 owners may be assessed exclusively against the lots or lot owners benefitted.

16 (3) The costs of insurance may be assessed in proportion to risk, and the
17 costs of utilities may be assessed in proportion to usage.

18 E. If damage to a lot or other part of the planned community or any
19 other common expense is caused by the willful misconduct of any lot owner or
20 occupant, or a guest or invitee of a lot owner, the association may assess that
21 damage or common expense exclusively against that owner's lot, even if the
22 association maintains insurance with respect to that damage or common
23 expense.

24 F. If common expense liabilities are reallocated, future assessments and
25 any installment thereof not yet due shall be recalculated in accordance with the
26 reallocated common expense liabilities.

27 §1141.33. Upkeep of the planned community

28 Except as otherwise provided by the community documents, the
29 association is responsible for maintenance, repair, and replacement of the
30 common areas and limited common areas, and each lot owner is responsible for

1 the maintenance of his lot and the maintenance, repair, and replacement of any
2 improvements located thereon. Each lot owner shall afford to the association,
3 and to its agents or employees, access through his lot that is reasonably
4 necessary for those purposes.

5 **§1141.34. Adoption of budgets; special assessments**

6 **A.(1) For planned communities consisting of more than twenty-five lots,**
7 **the association shall submit, at least annually, a proposed budget for the**
8 **planned community for consideration by the lot owners at a duly called meeting**
9 **of the association. Not later than thirty days after adoption of a proposed**
10 **budget, the board of directors shall provide to all lot owners a summary of the**
11 **budget, including any reserves, and a statement of the basis on which any**
12 **reserves are calculated and funded. Simultaneously, the board shall set a date,**
13 **which shall be no fewer than ten days nor more than sixty days after the**
14 **summary is provided, for a meeting of the association to consider ratification**
15 **of the budget. A majority vote, or any greater vote specified in the declaration,**
16 **is required to ratify the budget. If a proposed budget is not ratified, the budget**
17 **last ratified at a meeting of the association continues until a subsequent budget**
18 **is ratified.**

19 **(2) Nothing in this Subsection requires a certain format for the annual**
20 **submission of the proposed budget.**

21 **B. The board of directors may propose a special assessment at any time.**
22 **Except as otherwise provided in Subsection C of this Section, the assessment is**
23 **effective only if the board of directors follows the procedures for ratification of**
24 **a budget provided in Subsection A of this Section and the lot owners ratify the**
25 **proposed assessment at a meeting of the association as provided in Subsection**
26 **A of this Section.**

27 **C. If the board of directors, by a vote of two-thirds of directors present**
28 **and voting, determines that a special assessment is necessary to respond to an**
29 **emergency:**

30 **(1) The emergency special assessment becomes effective immediately in**

1 accordance with the terms of the vote.

2 (2) Notice of the emergency special assessment shall be provided
3 promptly to all lot owners.

4 (3) The board of directors shall spend the emergency special assessment
5 funds only for the purposes described in the vote.

6 D. If the association has accumulated a surplus from prior years, the
7 budget may propose any of the following:

8 (1) The refund to the lot owners contributing to the surplus if created by
9 a special assessment.

10 (2) A reduction of assessments prospectively in the amount of the
11 surplus.

12 (3) The establishment of a reserve for future repairs, replacements, or
13 operating expenses.

14 §1141.35. Privileges for sums due to the association; enforcement

15 A. A privilege in favor of the association shall arise on a lot for any
16 assessment attributable to that lot or any fines imposed against the lot owner.

17 B. The time period, rank, and method to enforce and preserve a privilege
18 in favor of the association shall be governed by Part III of this Chapter.

19 §1141.36. Association records

20 A. An association shall retain all of the following, which may be
21 maintained in an electronic format:

22 (1) Appropriate accounting records concerning the operation and
23 administration of the association.

24 (2) Minutes of all meetings of the lot owners and board of directors other
25 than executive sessions, a record of all actions taken by the lot owners or board
26 of directors without a meeting, and a record of all actions taken by a committee
27 in place of the board of directors on behalf of the association.

28 (3) The names of lot owners in a form that permits preparation of a list
29 of the names of all lot owners and the addresses at which the association
30 communicates with them, in alphabetical order showing the voting interest each

1 lot owner is entitled to cast.

2 (4) Its original or restated organizational documents and all amendments
 3 to them, and all rules currently in effect.

4 (5) All financial statements and tax returns of the association for the past
 5 three years.

6 (6) A list of the names and addresses of its current directors and officers.

7 (7) The most recent annual report delivered to the secretary of state.

8 (8) Financial and other records sufficiently detailed to enable the
 9 association to comply with R.S. 9:1141.43(B).

10 (9) Copies of current contracts to which the association is a party.

11 (10) Records of board of directors or committee actions to approve or
 12 deny any requests for design or architectural changes from lot owners.

13 (11) Ballots, proxies, and other records related to voting by lot owners
 14 for one year after the election, action, or vote to which they relate.

15 B. Upon receipt of a request for specific records, the association shall
 16 make the records available for examination and copying by a lot owner, the lot
 17 owner's agent, or persons with a valid contract of sale. An inspection shall occur
 18 during reasonable business hours or at a mutually convenient time and location.

19 C. Records retained by an association may be withheld from inspection
 20 and copying to the extent that they concern any of the following:

21 (1) Personnel and medical records relating to specific individuals.

 23 goods or services that are currently being negotiated.

24 (3) Existing or potential litigation or mediation, arbitration, or

29 (6) Records of an executive session of the board of directors.

30 (7) Individual lot files other than those of the requesting lot owner.

1 **D. An association may charge a reasonable fee for providing copies of**
2 **any records in accordance with this Section and for supervising the lot owner's**
3 **inspection.**

4 **E. A right to copy records in accordance with this Section includes the**
5 **right to receive copies by photocopying or other means, including receipt of**
6 **copies through an electronic transmission, if available, upon request by the lot**
7 **owner.**

8 **F. An association is not obligated to compile or synthesize information.**

9 **G. Information provided pursuant to this Section shall not be used for**
10 **commercial or other improper purposes, and the association may deny access**
11 **to information if the association has a good faith belief that the information is**
12 **being requested for such purposes. If an action is filed regarding the production**
13 **of information, the court may order that the association's expenses be**
14 **reimbursed upon determining that the information was used for commercial or**
15 **other improper purposes.**

16 **§1141.37. Rules**

17 **A. Before adopting, amending, or repealing any rule, the board of**
18 **directors shall give all lot owners notice of the proposed action and provide the**
19 **text of the rule or the proposed change and the date on which the board of**
20 **directors will act after considering comments from lot owners.**

21 **B. Following the adoption, amendment, or repeal of a rule, the board of**
22 **directors shall notify the lot owners of its action and provide a copy of the text**
23 **of the rule if it is different from that stated in the notice given in accordance**
24 **with Subsection A of this Section.**

25 **C. The board of directors shall establish procedures for the enforcement**
26 **of standards adopted in accordance with R.S. 9:1141.14(C) and for approval of**
27 **construction applications, including a reasonable time within which the board**
28 **of directors shall act after an application is submitted and the consequences of**
29 **its failure to act.**

30 **D. A rule regulating display of the flag of the United States shall be**

1 consistent with federal law.

2 E. The board of directors may adopt rules that affect the use of or
3 behavior on lots that may be used for residential purposes only to implement a
4 provision of the declaration or to regulate any behavior in or occupancy of a lot
5 that violates the declaration or adversely affects the use and enjoyment of other
6 lots or the common areas by other lot owners.

7 F. Every rule adopted pursuant to this Section is required to be
8 reasonable.

9 §1141.38. Notice to lot owners

10 A. An association shall deliver any notice required pursuant to this Part
11 by any of the following methods:

12 (1) United States mail postage paid, or commercial courier as defined in
13 Code of Civil Procedure Article 1313(D), to the mailing address designated by
14 the lot owner.

15 (2) Electronic mail to the address designated by the lot owner.

16 (3) Hand delivery to the physical location of each lot, if neither a mailing
17 address nor an electronic mail address has been designated by the lot owner.

18 (4) United States mail postage paid, or commercial courier as defined in
19 Code of Civil Procedure Article 1313(D), to the mailing address of each lot.

20 (5) Any other method reasonably calculated to provide notice to the lot
21 owner.

22 B. The ineffectiveness of a good faith effort to deliver notice by an
23 authorized means does not invalidate action taken at or without a meeting.

24 C. In the event of an emergency, notice may be given by any method that
25 the association deems appropriate to provide reasonable notice to the lot
26 owners, regardless of the provisions of Subsection A of this Section. The notice
27 shall state the nature of the emergency.

28 §1141.39. Removal of directors and officers

29 A. Notwithstanding any provision of the community documents to the
30 contrary, lot owners at any meeting of the association at which a quorum is

1 present and for which notice of removal was given may by majority vote remove
 2 any director of the board of directors and any officer of the association elected
 3 by the lot owners, with or without cause. However, a director appointed by the
 4 declarant may not be removed during the period of declarant control.

5 B. At any meeting at which a vote to remove a director or an officer is to
 6 be taken, the director or officer being considered for removal shall have a
 7 reasonable opportunity to speak before the vote.

8 §1141.40. Incorporation

9 A. When immovable property is acquired by one or more persons acting
 10 in any capacity for and in the name of an association that is not duly
 11 incorporated, and the association is subsequently duly incorporated, the
 12 corporate existence of the association shall be retroactive to the date of
 13 acquisition of an interest in the immovable property, but the retroactive
 14 existence shall be without prejudice to rights validly acquired by third persons
 15 in the interim between the date of acquisition and the date that the association
 16 is duly incorporated.

17 B. The effect of the revocation and reinstatement of an association shall
 18 be in accordance with law.

19 SUBPART D. CONSUMER PROTECTIONS

20 §1141.41. Applicability; waiver

21 This Subpart applies to all lots except as modified or waived by
 22 agreement of purchasers of lots in a planned community in which all lots are
 23 restricted to nonresidential use.

24 Revision Comments – 2024

25 Commercial and industrial purchasers are assumed to be more sophisticated
 26 and better able to bargain for necessary protections. At the same time, the cost of
 27 protection may be substantial. Accordingly, this Section permits waiver or
 28 modification of the protections in this Subpart only where all lots are restricted to
 29 nonresidential use. The rights provided by this Subpart may not be waived or
 30 modified in the case of residential purchasers or in mixed-use planned communities.

31 §1141.42. Public offering statement

32 A. A declarant, before offering any interest in a lot to the public, shall

1 prepare a public offering statement in accordance with R.S. 9:1141.43.

2 B. A declarant who offers a lot to a purchaser shall deliver a public
 3 offering statement in accordance with this Section and R.S. 9:1141.48. The
 4 declarant is liable in accordance with R.S. 9:1141.44 and 1141.48 for any false
 5 or misleading statement in the public offering statement and for any omission
 6 of a material fact therefrom.

7 C. If a lot in a planned community is also part of any other regime in
 8 which the delivery of a public offering statement is required by law, a single
 9 public offering statement conforming to the requirements of R.S. 9:1141.43 as
 10 related to each regime in which the lot is located may be prepared and delivered
 11 in lieu of providing two or more public offering statements.

12 §1141.43. Public offering statement; requirements

13 A. A public offering statement shall contain and fully and accurately
 14 disclose all of the following:

15 (1) The name and principal address of the declarant and of the planned
 16 community, and a statement that the planned community is a planned
 17 community.

18 (2) A general description of the planned community, including, to the
 19 extent possible, the declarant's schedule of commencement and completion of
 20 construction of common areas and limited common areas disclosed in
 21 promotional or marketing materials as "SHALL BE BUILT". Any promotional
 22 or marketing materials that show the intended location and dimensions of any
 23 contemplated improvement to be constructed anywhere within the planned
 24 community or on any immovable property to be added to the planned
 25 community shall be labeled either "SHALL BE BUILT" or "NEED NOT BE
 26 BUILT".

27 (3) A copy of the declaration meeting the requirements of R.S. 9:1141.5.

28 (4) Copies of any other recorded covenants, conditions, restrictions, and
 29 reservations affecting the planned community; the bylaws and any rules of the
 30 association; and a brief description of any contracts or occupancy agreements

1 that may be subject to termination pursuant to R.S. 9:1141.24.

2 (5) The financial information required by Subsection B of this Section.

3 (6) Any services not reflected in the budget that the declarant provides
4 or expenses that the declarant pays that may become a common expense
5 liability of the association, and the projected common expense assessment
6 attributable to each of those services or expenses for the association and for
7 each type of lot.

8 (7) Any initial or special fee due from the purchaser or seller at the time
9 of sale, together with a description of the purpose and method of calculating the
10 fee.

11 (8) A narrative description of any liens, defects, or encumbrances that
12 are revealed in a title policy or title opinion affecting the ownership of the
13 immovable and movable property forming the planned community as of the
14 date of the declaration or that are otherwise known by the declarant.

15 (9) The terms and significant limitations of any warranties provided by
16 the declarant, including statutory warranties and limitations on the
17 enforcement thereof or on damages.

18 (10) A statement that within fifteen days after receipt of a public offering
19 statement, a purchaser, before transfer, may cancel any contract to sell.

20 (11) A statement of any unsatisfied judgment or pending action against
21 the association, and the status of any pending action material to the planned
22 community of which a declarant has actual knowledge.

23 (12) Any restrictions on use, occupancy, and alienation of the lots and
24 any restrictions on the amount for which a lot may be sold.

25 (13) A description of and the amount of the premiums for the insurance
26 coverage provided for the benefit of the association and lot owners.

27 (14) Any current or expected fees or charges to be paid by lot owners for
28 the use of the common areas, limited common areas, and other facilities related
29 to the planned community.

30 (15) The extent to which financial arrangements have been provided for

1 completion of all common areas and limited common areas that the declarant
2 is obligated to build pursuant to R.S. 9:1141.46.

3 (16) The zoning classification and any other land use designation
4 affecting the planned community.

5 (17) Any other material circumstances, features, and characteristics of
6 the planned community and the lots.

7 (18) A description of any financial arrangement that is not otherwise
8 disclosed and contained in the budget and that is binding on the association.

9 (19) A narrative description of all special declarant rights retained by the
10 declarant.

11 B. The public offering statement shall contain a current balance sheet
12 and a projected budget for the association for one year after the date of the first
13 transfer of a lot to an unrelated purchaser, and thereafter the current budget
14 of the association, a statement of who prepared the budget, and a statement of
15 the assumptions concerning occupancy and inflation factors. The budget shall
16 include the following:

17 (1) A statement of the amount included as a reserve for repairs and
18 replacements.

19 (2) A statement of any other reserves.

20 (3) The projected common expense assessment by category of
21 expenditures.

22 (4) The projected monthly common expense assessment for each lot.

23 C. The declarant shall be required to provide a supplement to the public
24 offering statement containing the information required in Subsection B of this
25 Section on an annual basis until all of the lots are owned by unrelated
26 purchasers.

27 D. The declarant shall promptly amend the public offering statement to
28 report any material change in the information required by this Section.

29 E.(1) A public offering statement is not required in any of the following
30 circumstances:

1 (a) A gratuitous disposition of a lot.

2 (b) A disposition of a lot pursuant to court order.

3 (c) A disposition of a lot by a governmental agency.

4 (d) A disposition of a lot by foreclosure or giving in payment.

5 (e) A disposition of a lot restricted to nonresidential uses in a wholly
6 nonresidential community.

7 (2) A public offering statement is not required when a planned
8 community contains fewer than seventy-five lots based on the total number of
9 anticipated lots after all development rights to add additional immovable
10 property have been exercised in accordance with R.S. 9:1141.7.

11 (3) When a lot is subject to a contract to sell and is owned by a person
12 other than the declarant, the association shall be required to provide to the
13 purchaser all information required in this Section within ten days of a request
14 for the information.

15 **§1141.44. Purchaser's right to cancel**

16 A. The person required to deliver a public offering statement shall
17 provide a purchaser with a copy of the public offering statement and all
18 amendments thereto at least fifteen days before transfer of the lot. A purchaser
19 shall not be required to acquire a lot unless fifteen days have elapsed from the
20 date of the delivery of the public offering statement. A purchaser, before
21 transfer, may cancel the contract within fifteen days after first receiving the
22 public offering statement.

23 B. If a purchaser does not receive a public offering statement as required
24 by this Subpart, the purchaser may cancel any contract to sell any time prior
25 to the transfer, and, upon doing so, shall be entitled to recover actual damages.

26 C. A purchaser may cancel a contract pursuant to Subsection A or B of
27 this Section by hand delivering or mailing notice thereof by prepaid United
28 States mail to the seller or his agent for service of process. Cancellation is
29 without penalty. All payments made by the purchaser to the seller before
30 cancellation shall be promptly refunded.

1 D. If a purchaser does not receive a public offering statement as required
2 by this Subpart prior to or at the time of the execution of the contract to sell, the
3 purchaser may recover all costs and expenses incurred if the purchaser elects
4 to cancel the contract to sell prior to acquisition of the lot.

5 §1141.45. Express warranties of declarant

6 A. Express warranties made by a declarant to an unrelated purchaser,
7 if relied upon by the unrelated purchaser, regardless of the delivery or receipt
8 of a public offering statement, are created as follows:

9 (1) Any affirmation of fact or promise by the declarant that relates to the
10 lot, its use, or rights appurtenant thereto; area improvements to the planned
11 community that would directly benefit the lot; or the right to use or have the
12 benefit of facilities not located in the planned community creates an express
13 warranty that the lot and related rights and uses will conform to the affirmation
14 or promise.

15 (2) A provision that a purchaser may put a lot only to a specified use is
16 an express warranty that the specified use is lawful at the time that the
17 warranty was made.

18 B. Neither formal words, such as "warranty" or "guarantee", nor a
19 specific intention to make a warranty are necessary to create an express
20 warranty of quality, but a statement purporting to be merely an opinion or
21 commendation of the immovable property or its value does not create a
22 warranty.

23 §1141.46. Implied warranties

24 Any limitation, modification, or exclusion of implied warranties shall be
25 as provided by law.

26 §1141.47. Warranties

27 A. Except as provided in Subsection G of this Section, the warranty
28 period provided by law shall apply to this Part.

29 B. The association may assert a claim to enforce any express or implied
30 warranty involving the common areas and limited common areas that is either

1 made by the declarant or could have been asserted by the declarant against a
2 third party in any manner provided by law.

3 C. If, during the period of declarant control, the association fails to
4 enforce a claim that it could have asserted in accordance with Subsection B of
5 this Section, a lot owner who wishes to assert the claim shall first provide notice
6 to the association by the methods provided in R.S. 9:1141.38 of the lot owner's
7 intention to do so. The association shall have thirty days from the date that
8 notice was sent to assert the claim.

9 D. If the association fails to assert the claim within the thirty-day period,
10 the lot owner who provided notice may assert the claim of the association to
11 enforce any express or implied warranty involving the common areas and
12 limited common areas, whether made by the declarant or a third party.

13 E. A lot owner's monetary recovery related to a claim asserted in
14 accordance with this Section shall be limited to the lot owner's damage caused
15 by the breach of warranty involving the common areas and limited common
16 areas. A lot owner may also seek any other relief as provided by law.

17 F. A compromise made by the lot owner asserting a claim in accordance
18 with this Section or any judgment resulting from the enforcement thereof does
19 not preclude the assertion of a claim by the association or another lot owner.

20 G. A claim to enforce an express or implied warranty made by the
21 declarant involving the common areas and limited common areas in accordance
22 with this Section shall be asserted within forty days following the expiration of
23 the time period of declarant control or within the time period otherwise
24 provided by law to assert the claim, whichever period expires later.

25 Revision Comments – 2024

26 (a) The right of the association to assert a claim in accordance with this
27 Section is not barred by the lack of privity between the association and a third party.
28 This Act grants the association standing to maintain an action to enforce an
29 obligation owed to the declarant. See R.S. 9:1141.48. For example, in the event that
30 the declarant entered into a contract with another person who agreed to construct
31 improvements on common areas, the association would be subrogated to the rights
32 of the declarant to enforce a claim for failure to construct the improvement or for
33 damages caused by defective construction. This Section grants the association the
34 right to assert a claim. These examples are illustrative and do not limit the rights

1 created by this Section.
2

3 (b) This Section further provides that, during the period of declarant control,
4 the lot owner may assert a claim of the association in the event that the association
5 fails to assert its claim within thirty days after the lot owner gives notice of his
6 intention to do so. The assertion of the claim by the association may represent a
7 conflict of interest for the declarant during the period of declarant control of the
8 association. The rights granted to a lot owner to assert a claim of the association are
9 intended to address this conflict.
10

11 (c) In the event that a lot owner asserts a claim of the association, the lot
12 owner's recovery is limited to loss, injury, or damage suffered by the lot owner from
13 the damage to the common areas and limited common areas. Nothing in this Section
14 impacts the rights of other individual lot owners. This Section does not preclude the
15 ability of a lot owner asserting a claim under this Section to also assert claims under
16 other provisions of law, including claims in redhibition.

17 **§1141.48. Effect of violations on rights of action; attorney fees**

18 **A declarant, association, lot owner, or any other person who has suffered**
19 **actual damages may bring an action to enforce a right granted or obligation**
20 **imposed by this Subpart. The court may award reasonable costs and attorney**
21 **fees to the prevailing party.**

22 **§1141.49. Declarant's obligation to complete and restore**

23 **A. Except for improvements labeled "NEED NOT BE BUILT" in any**
24 **promotional materials or on a plat, the declarant shall complete all**
25 **improvements depicted on any site plan or other graphic representation**
26 **prepared by or at the direction of the declarant or the party responsible for the**
27 **preparation of a public offering statement, including any plats or plans**
28 **prepared pursuant to R.S. 9:1141.9.**

29 **B. The declarant is subject to liability for the prompt repair and**
30 **restoration, to a condition compatible with the remainder of the planned**
31 **community, of any portion of the planned community affected by the exercise**
32 **of rights reserved pursuant to or created by R.S. 9:1141.7 or 1141.12.**

33 **C. Any description of the quantity or extent of the immovable property**
34 **comprising the planned community, including plats or surveys or improvements**
35 **indicated as "SHALL BE BUILT", creates an express warranty that the**
36 **planned community will conform to the description, with the amenities**
37 **provided by the declarant subject to customary tolerances.**

Revision Comments – 2024

(a) The duty imposed by Subsection A of this Section is a fundamental obligation of the declarant and is one that a successor declarant is obligated to perform under R.S. 9:1141.23.

(b) This Section requires the declarant to repair and restore the planned community following the exercise of any rights reserved or created to exercise a development right, alter lots, relocate the boundaries between adjoining lots, subdivide lots, use lots or common areas for sales purposes, or exercise servitude and use rights. Plainly, this obligation of the declarant exists only if the declarant exercises these rights. If any right to, for example, alter lots is exercised by another lot owner, that lot owner, and not the declarant, would be responsible for the consequences of those acts.

§1141.50. Substantial completion of lots

A. In the case of a sale of a lot for which delivery of a public offering statement is required, a contract to sell may be executed, but the declarant shall transfer no interest in the lot until the declaration is filed for registry, the requirements of R.S. 33:114 et seq. have been met, and all other required governmental approvals have been obtained.

B. When a declarant has transferred an interest in a lot in a planned community in violation of Subsection A of this Section, the purchaser shall have the right to rescind the transfer or demand specific performance that the declarant take the actions described in Subsection A of this Section and to pursue any other remedy provided by law for the declarant's failure to comply with the provisions of Subsection A of this Section.

Revision Comments – 2024

The purpose of this Section is to allow a declarant to "pre-sell" a development. This frequently is required to obtain financing. The declarant is prohibited, however, from the actual sale of lots until all governmental requirements have been satisfied.
