## DIGEST 2025 Regular Session

Bass

<u>Present law</u> authorizes the secretary of DEQ to implement a program to expedite processing of permits, modifications, registrations, or variances for environmental permit applicants.

<u>Proposed law</u> retains <u>present law</u> and authorizes the secretary to institute a federal permitting parity program for advanced nuclear power generation applications submitted by electric public utilities.

<u>Proposed law</u> provides that the utility submit that the application is for development and construction of a small modular reactor and is consistent with a letter of collaboration entered into between the applicant and the federal government.

<u>Proposed law</u> requires the secretary to adopt rules under the Administrative Procedure Act which provide notice that the permit is issued under the permitting parity program. Effective August 1, 2025.
