PART VII. LOUISIANA CONSERVATION INCENTIVE PROGRAM

§1938.1. Louisiana Conservation Incentive Program; fund

There is hereby established within the Department of Wildlife and Fisheries the Louisiana Conservation Incentive Program for the purpose of assisting private land owners to enhance wildlife habitat and to manage native species on private lands. The administration of the program and the projects funded to assist private landowners related to improving and providing wildlife habitats on their property shall be funded by the Conservation Incentive Program fund as provided for in R.S. 56:10(B)(20).

§1938.2. Program eligibility; application process

A. The program funding will rely on an appropriation by the legislature
utilized to initiate a grant program for private landowners. The department will seek
additional funding through federal grant programs and other available sources of
public or private funding.

B. Projects eligible for funding opportunities on private lands include:

(1) Forest stand improvement.

1 (2) Increasing prevalence of water on agricultural landscapes to provide
 2 habitat for wintering waterfowl and wetland birds.

3 (3) Management of private wetlands to increase suitability for waterfowl and
 4 wetland birds.

5 (4) Prescribed fire implementation.

6 (5) Feral swine control.

7 C. The department shall, in accordance with the Administrative Procedure
 8 Act, promulgate and adopt rules and regulations necessary to implement this
 9 program. The rules shall include procedures for applying for the program and
 10 detailed criteria used to evaluate and select projects to receive funding.

11 D. Implementation of the provisions of this Section shall be subject to the
 12 appropriation of sufficient funds by the legislature for such purposes.

HB 564 Engrossed

2025 Regular Session

Jacob Landry

Abstract: Establishes a conservation incentive program fund to assist private landowners with enhancing wildlife habitats and wetlands on private property and establishes criteria for obtaining assistance.

Present law provides for annual reports to the governor, limits purposes for use of money in certain funds, and provides for the creation of special funds.

Proposed law adds the Conservation Incentive Program to the list of special funds created in present law.

Proposed law creates the Conservation Incentive Program to assist private landowners with improving wildlife habitat on their property.

Proposed law provides for the Conservation Incentive Program to seek additional funding through federal grant programs and other public and private funding sources and to select recipients.

Proposed law provides for the dept. to promulgate and adopt rules and regulations for the implementation of the Conservation Incentive Program.

Proposed law makes implementation of the program contingent on legislative appropriation of sufficient funding.

(Adds R.S. 56:10(B)(20), 1938.1, and 1938.2)
