14 The proceeds of such fee shall be deposited into the Imported Seafood Safety Fund.

15           Section 2. Part IV of Chapter 30 of Title 3 of the Louisiana Revised Statutes of 1950,  
16   comprised of R.S. 3:4749 through 4749.3, is hereby enacted to read as follows:

## 17 PART IV. IMPORTED SEAFOOD SAFETY

18                    §4749. Definitions

19 As used in this Part:

20                   (1) "Commingled" means to cause to blend together, mix, or combine  
21                   domestic and imported seafood.

22 (2) "Department" means the Louisiana Department of Agriculture and  
23 Forestry.

24                   (3) "Distributor" means a person engaged in the purchasing, storing,  
25                   shipping, and selling of seafood.

(4) "Domestic" means raised, harvested, or caught in any of the fifty states of the United States or its territories and within the federal exclusive economic zone (EEZ) and landed in the United States.

1           (5) "Imported" means raised, harvested, or caught outside of the federal  
2           exclusive economic zone (EEZ) or landed in a country other than the United States.

3           (6) "Processor" means any plant or facility that has been permitted by the  
4           Louisiana Department of Health to clean, shuck, pick, peel, or pack seafood.

5           (7) "Seafood" means fish and edible crustaceans, excluding domestic catfish,  
6           live crawfish, and live crabs.

7           §4749.1. Powers

8           A. The commissioner of agriculture shall administer and enforce the  
9           provisions of this Part and may adopt rules and regulations for this purpose. All  
10           rules and regulations shall be adopted in accordance with the provisions of the  
11           Administrative Procedure Act.

12           B. The commissioner may:

13           (1) Employ personnel to enforce the provisions of this Part.

14           (2) Receive and investigate complaints regarding alleged violations of this  
15           Part and the rules and regulations adopted pursuant to the provisions of this Part.

16           (3) Seek and obtain injunctive or other civil relief to restrain and prevent  
17           violations of this Part, rules and regulations adopted pursuant to this Part, or orders  
18           and rulings issued by the commissioner pursuant to this Part.

19           (4) Institute civil proceedings to enforce his rulings or collect any penalties  
20           due under this Part.

21           (5) Issue a notice of noncompliance.

22           (6)(a) Issue a stop order prohibiting the continued distribution and sale of the  
23           seafood product.

24           (b) Any violation of a stop order shall constitute a separate violation subject  
25           to a penalty not to exceed one thousand dollars for each day of violations.

26           (c) A stop order may be released by the commissioner upon a determination  
27           by the commissioner that the cause for issuing the stop order has been remedied.

28           (d) Any person aggrieved by a stop order may petition the commissioner for  
29           a hearing to contest the validity of the stop order by making a written request within

1 five calendar days after issuance of the stop order. The hearing shall be held within  
2 ten calendar days of receipt of the written request for a hearing and shall be held in  
3 accordance with R.S. 3:4749.2(E).

4 (e) Based upon the results of the hearing, the commissioner may take one or  
5 more of the following actions:

6 (i) Release the stop order.

7 (ii) Require the cause for the stop order to be remedied prior to releasing the  
8 stop order.

9 (iii) Amend the stop order.

10 §4749.2. Imported seafood; testing; penalties

11 A. In addition to any regulations and testing required by the Louisiana  
12 Department of Health to ensure compliance with the state Sanitary Code, any  
13 processor or distributor who is required to pay the imported seafood safety fee  
14 pursuant to R.S. 40:31.35(C) shall be subject to the regulations and testing provided  
15 for in this Section.

16 B. Upon request of the department, the processor or distributor shall:

17 (1) Provide any information, if available, on whether the seafood has  
18 previously been tested in the country of origin or upon arrival in the United States.

19 (2) Ensure all labels affixed to the imported or commingled seafood clearly  
20 indicates that it is imported, indicates the original country of origin, and if the  
21 product is commingled, that the label clearly indicates that the seafood is a product  
22 of the identified foreign country that also includes Louisiana domestic seafood.

23 (3) Provide any additional information considered necessary by the  
24 department to implement the provisions of this Section.

25 C.(1) The department may sample, analyze, and test seafood processed or  
26 sold by an imported commercial seafood processor or distributor to ensure the  
27 chemical concentrations do not exceed the minimum standards established by the  
28 United States Food and Drug Administration.

1           (2) If the seafood tested exceeds the minimum standards, the department  
2           shall report the test results to the Louisiana Department of Health and the processor  
3           or distributor. The Louisiana Department of Health shall consider any seafood  
4           reported pursuant to this Subsection to be an adulterated food pursuant to R.S.  
5           40:607.

6           (3) In addition to reporting the test results to the Louisiana Department of  
7           Health, the department may issue a civil penalty of not more than one thousand  
8           dollars for violations of this Subsection.

9           D. If the department has reason to believe a commercial seafood processor  
10          or distributor is processing or distributing imported seafood packed or labeled as  
11          domestic seafood, the department may test the seafood to ensure the seafood is  
12          domestic. If the seafood is not domestic, the department may assess the following  
13          civil penalties on the commercial seafood processor or distributor:

14               (1) For a first offense, a fine of not more than one thousand dollars per  
15               violation.

16               (2) For a second offense, a fine of not more than two thousand five hundred  
17               dollars per violation.

18               (3) For a third or subsequent offense, a fine of not more than five thousand  
19               dollars per violation.

20               E.(1) Civil penalties may be assessed only by a ruling of the commissioner  
21               based upon an adjudicatory hearing held by the Louisiana Commission of Weights  
22               and Measures pursuant to R.S. 3:4605.

23               (2) In addition to civil penalties, the commissioner may assess the  
24               proportionate costs of the adjudicatory hearing against the offender. The  
25               commissioner shall determine the amount of costs to be assessed.

26               (3) The commissioner may institute civil proceedings to enforce his rulings  
27               in the district court for the parish in which the violation occurred.

28               (4) The commissioner may institute civil proceedings seeking injunctive  
29               relief to restrain and prevent the violation of the provisions of this Part, or of the

rules and regulations adopted under the provisions of this Part, in the district court

for the parish in which the violation occurred.

F. Any civil penalties collected pursuant to this Section shall be deposited  
into the Weights and Measures Fund provided for in R.S. 3:4622.

§4749.3. Processors and distributors; reporting

A. Seafood processors and distributors shall submit a quarterly report to the Department of Agriculture and Forestry that contains the amount of seafood they bought and sold in the previous quarter. An accounting by volume of the species of seafood bought and sold and the country of origin, or when possible, the state of origin for domestic seafood bought and sold, shall be included in the report. The department may also request additional information regarding the product or form in which the seafood was bought and sold and relevant dates or other tracking data. The department shall maintain a database of the information contained in these reports.

B. The department shall have the authority to implement fines similar to those provided for in R.S. 3:4749.2 for processors and distributors who fail to submit the required information for two or more consecutive quarters.

Section 3. R.S. 36:624(C) and 629(L)(5) are hereby enacted to read as follows:

§624. Powers and duties of commissioner of agriculture and forestry

\* \* \*

C. The commissioner of agriculture shall have the authority to administer a seafood program that includes the promotion and marketing of Louisiana seafood in coordination with the Louisiana Seafood Promotion and Marketing Board and regulating imported seafood to ensure health and safety, including the administration of any funds allocated or appropriated for the specific purposes of the program.

\* \* \*

§629. Transfer of boards, commissions, departments, and agencies to the  
Department of Agriculture and Forestry

\* \* \*

1 L. The following agencies are transferred to the Department of Agriculture  
2 and Forestry and shall perform and exercise their powers, duties, functions, and  
3 responsibilities as provided by law:

4 \* \* \*

5 (5) The Seafood Safety Task Force (R.S. 40:5.5.3).

6 \* \* \*

7 Section 4. R.S. 56:306.5(B)(3) is hereby enacted to read as follows:

8 §306.5. Records

9 \* \* \*

10 B.

11 \* \* \*

12 (3)(a) Beginning in January 2027, dealers applying for an imported seafood  
13 license shall submit a detailed accounting to the department of all imported seafood  
14 bought, acquired, or handled by the dealer for sale or resale within the state during  
15 the preceding calendar year. The department may specify what information dealers  
16 are required to submit regarding the imported seafood including but not limited to  
17 an accounting by volume of the species; product or form in which the seafood was  
18 received; relevant dates; countries of origin; vendors, distributors, and processors in  
19 the supply chain or other tracking data. The department may require the information  
20 to be submitted on a form provided to the dealer by the department.

21 (b) The department shall submit a copy or summary of the information  
22 collected under this Paragraph to the Department of Agriculture and Forestry.

23 \* \* \*

24 Section 5. R.S. 36:204(A)(10) and 209(D)(4), R.S. 40:31.35.1, and Section 2 of Act  
25 No. 667 of the 2024 Regular Session of Legislature are hereby repealed.

26 Section 6. This Act shall become effective upon signature by the governor or, if not  
27 signed by the governor, upon expiration of the time for bills to become law without signature  
28 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If

- 1 vetoed by the governor and subsequently approved by the legislature, this Act shall become  
2 effective on the day following such approval.

HB 652 Engrossed

2025 Regular Session

Kerner

**Abstract:** Transfers authority for imported seafood sampling, testing, and enforcement from the Dept. of Culture, Recreation and Tourism to the Dept. of Agriculture and Forestry and requires reporting and accounting by commercial seafood by processors and distributors and by dealers.

Present law provides for the Seafood Safety Task Force to work in conjunction with the state health officer, office of lt. governor, the La. Seafood Promotion and Marketing Bd., and the La. Restaurant Assoc. to employ a marketing campaign for domestic seafood.

Proposed law replaces the Seafood Safety Task Force with the Dept. of Agriculture and Forestry.

Present law creates the Seafood Safety Task Force within the Dept. of Culture, Recreation and Tourism.

Proposed law moves the Seafood Safety Task Force to the Dept. of Agriculture and Forestry.

Present law provides for the money for the Imported Seafood Safety Fund and the commercial seafood permit fee to go to the Dept. of Culture, Recreation and Tourism.

Proposed law transfers the provisions of present law to the Dept. of Agriculture and Forestry.

Proposed law provides for seafood safety by creating regulations and testing requirements for seafood processors and distributors with civil penalties for failure to report or for violating safety provisions of proposed law and by creating reporting requirements for processors and distributors.

Proposed law provides definitions for "commingled", "department", "distributor", "domestic", "processor", and "seafood".

Proposed law establishes powers of the commissioner of agriculture to oversee the testing and reporting requirements for seafood safety established by proposed law.

Proposed law provides authority for the commissioner of agriculture and forestry to administer a marketing program with the La. Seafood Promotion and Marketing Bd.

Proposed law provides for the Seafood Safety Task Force to be under the Dept. of Agriculture and Forestry.

Present law provides record requirements for commercial seafood submitted to the Dept. of Wildlife and Fisheries.

Proposed law adds a record requirement for a detailed accounting of all imported seafood handled the previous year to be submitted by dealers applying for an imported seafood

license and for the Dept. of Wildlife and Fisheries to submit a copy to the Dept. of Agriculture and Forestry.

Present law provides for testing and regulation for imported seafood by the Dept. of Culture, Recreation and Tourism.

Proposed law repeals present law.

Present law provides for the Dept. of Culture, Recreation and Tourism and the Dept. of Agriculture and Forestry to promulgate emergency rules necessary to implement present law.

Proposed law repeals present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
