Provides relative to post-sentence statements and documents

Current law requires a sheriff to prepare a statement showing how long a defendant has spent in custody prior to a conviction when the defendant has been convicted of a felony and has been committed to the Department of Public Safety & Corrections, convicted of a misdemeanor, and sentenced for a term of one year or more to any penal institution, or has been ordered committed to any mental institution or mental hospital; requires clerks of court to prepare a copy of the indictment and a copy of the Uniform Sentencing Commitment Order and send them to the sheriff of the parish where the defendant is sentenced. Proposed law provides that all post-sentence statements and documents be submitted to the Department of Public Safety & Corrections; requires any criminal justice agency required to submit criminal justice data to do so electronically through the Integrated Criminal Justice Information System (ICJIS); requires all electronic data transmissions to comply with standards, protocols, and policies developed by the ICJIS Policy Board; allows agencies to retain discretion regarding the method of transmission for its data submissions, but to make all of its data transmission efforts to conform with ICJIS standards; requires each agency to ensure the accuracy, completeness, and timeliness of criminal justice data it submits; requires each agency unable to comply with ICJIS data submission standards to submit a report to the ICJIS Policy Board.
